

ACHS UNIFORM INFORMATION

All students will be fitted for and assigned jackets, pants, gauntlets, performance tops, and gloves. All of these are provided by the band.

For their fitting time, students should...

- ☐ Arrive no later than 10 minutes before the fitting time starts
- ☐ Arrive wearing athletic clothing or Grays
- ☐ Bring Band Shoes (if owned)
- ☐ Wear socks

Shoes

Students needing new shoes will be sized during uniform fittings and ordered. There will be \$50 charged to the student's band bill.

Gloves

Students needing gloves will be charged \$2 on his or her band bill.

What are "Grays?"

Students will need to provide his or her own "grays." Grays are light-to-medium gray shirts and shorts that are worn under the uniform. It is important to dress for the weather, so colder months will require longer pants. Grays should not be visible while wearing the full uniform.

Sock Policy

Students will need to provide their own long black socks. Socks need to be COMPLETELY black with no logos or other images. If a student forgets to bring socks on a performance or game day, they will be provided some, but will be charged **\$2 per pair.**

Uniform Care

Students are to treat their uniform with respect. Every so often, we will seek out assistance with laundering and cleaning student uniforms.

Thank you for your help with helping our band look its best.

It's a great day to be a Marching Patriot!
