CHS Class of 1986
Owner:
Jahn Electric Services**

Jahn Electric began around 1982 by Bill Jahn. Mark Rimkus and his dad purchased the company in 2004. Mark's dad was friends with Bill since the apprenticeship days.

Jahn Electric has gone through many changes since then and now primarily services the residential market. The company is growing and constantly looking for new talent in service technicians as well as administrative team members.

Mark has also been instructing 2nd year students in the apprenticeship program with the IEC for 8 years. Currently, classes are held at Sinclair Community College. Mark also holds a State of Ohio electrical contractors license.
