

Tuesday, January 26: 11:30 am until 12:00 pm; Virtual/Rm 300

Nick Herrin, PT, DPT Class of 2008

Nick Herrin is a Doctor of Physical Therapy at the Kettering Medical Center and is the Team Lead of the Oncology and Cardiology Rehab Department.

Dr. Herrin received his Bachelor of Arts degree in Psychology from The Ohio State University in 2012. He then received his Doctorate in Physical Therapy from the University of Dayton in 2015.

Nick is a Proud Patriot. He graduated from the Carroll High School Class of 2008 with his wife, Lindsey Kelemen. He is proud of the accomplishments he had at Carroll on the field and off, including 11 varsity letters and winning Penn Station Athlete of the Month with a 4.2 GPA. Nick went on to play D III football for a year and then transferred to OSU. He started a club football team there and finished as President of a nationally ranked team before he graduated. Nick came home to Dayton for graduate school at UD and planted his roots just a few miles away from CHS. He coached junior high football for five years at Carroll before he and Lindsey had their first son. Nick is currently a member of the CHS Alumni Association and is looking forward to sharing his experiences as a speaker and mentor to anyone interested in the Allied Health field.

Dr. Herrin hopes for this first speaker session to be the beginning of a new Allied Health Club for Carroll High School students interested in Physical Therapy, Occupational Therapy, Athletic Training, Speech Therapy, Radiation Therapy, Sonography, or Radiology. He thinks anyone interested in any of these fields would benefit from hearing about case studies, anatomy education, injury intervention, patient care, and how to prepare for this career in high school and college. The plan is to schedule the club meetings once per month on Thursdays from 3:30-4:30 p.m. (2/18, 3/18, 4/15). The club could also be a good resume or college application addition, provide a contact/network for the future, and help towards the required 30-100 observation hours needed for the program.

Carroll High School Activities: Football, Intramurals, National Honors Society, Ohio Math League, Revolution, Spanish Club, Spanish Honors Society, Track, and Wrestling
