

Tues., November 10: 11:30 am until 12:00 pm; Virtual/Rm 313

Matthew Lehmenkuler, P.E. Class of 2010

Matthew Lehmenkuler is a Project Manager in Terracon's Cincinnati office and is familiar with multiple aspects of construction materials testing and inspection including soil, concrete, asphalt, and steel. His skills include coordinating and managing quality control, testing, and inspection projects. His project experience involves private commercial projects and public transportation experience, including highways and airfields.

As a materials engineer, Matthew is responsible for field inspection, testing of soil and concrete, soil identification, review of project specifications, engineering analyses soil, concrete, asphalt and steel, and preparation of engineering reports.

Matthew received his Bachelor of Science degree in Civil Engineering from the University of Cincinnati in 2015. He is a Licensed Professional Engineer (Ohio) with the following certifications: National Institute for Certification in Engineering Technologies, FHWA-NHI Safety Inspection of In-Service Bridges, Ohio Department of Transportation Prequalified Project Inspector, and OSHA 10-HR Construction Safety. He is affiliated with the American Society of Civil Engineers and the Structural Engineering Association of Ohio.

Matthew grew up in Xenia, Ohio, and is the oldest of five children. He lives in Cincinnati with his wife, Abby, and son, Luke. In his free time, Matthew enjoys hiking and woodworking.

His favorite Carroll memories include Mr. Hoefler, Mr. Bartlett, and Mr. Seyfang always walking the halls together and looking like a gang. He'll never forget Terrorist drills with Mr. Heider. And, of course, he will always have fond memories of Crisпитos!

Carroll High School Activities: Action Appalachia, Class Officer, Drama Club, Family and Consumer Science Club, Muse Machine, Patriots for Life, Recycling Team, Student Council, Willing to Wait
