MESSAGE from the Director of Advancement

In May I watched the Class of 2016 spend their final minutes together as high school students. You could see in their eyes that they were reflecting on triumphs and challenges, and all of the times they researched, computed, analyzed, lifted, sprinted, explored, read, questioned, played, acted, wrote, presented, danced, cheered, and sang their way through high school. It was clear to me, from these looks and from the valedictorian speeches that high school was a life-shaping and empowering time. I watched them realize that the end of their shared time as high school students was over but that they would always be Patriots! This experience would not have been possible were it not for the generosity of the CHS community.

Pam (Staton) Tipps '91

Tuition simply does not cover the cost of the full CHS experience. The Carroll Patriot Fund provides critical funding for the operating budget; capital gifts enable us to care for and enhance our campus. Securing these funds is one of the Advancement Office's primary responsibilities, and we are privileged to work with devoted alumni, parents, and friends who believe that CHS is worthy of their support.

The achievements of 2015-2016 year of giving have resulted many successes. You were able to provide 13 percent of the operating budget. We are thankful for the 1499 donors (*141 more donors than last year*), as well as the efforts of our many committed volunteers. Dedicated alumni and parents led many events, generated enthusiasm for our mission and stewarded important relationships on Carroll's behalf. Most importantly we set out to remodel St. John the Evangelist Chapel, so it would truly be the center piece of our Faith life and mission of all we do. I am happy to report, we have achieved that goal!

On behalf of the entire Carroll Community, thank you for your dedication and commitment to CHS. I am honored to share your devotion and look forward to our continued work together.

All my best,

It's a great day
 — to be a —
PATRIOT

MISSION AND PHILOSOPHY

Carroll High School is a Catholic, coeducational school in which competent, caring educators form a Christian community with one another and with the young men and women they teach.

Within Carroll, there is a sense of commitment to a values system based on Catholic beliefs, and in this environment the educational process unfolds.

Our mission is to enhance the total growth of students. Emphasis is placed on providing quality education, involving students in a variety of learning experiences and in fostering the ability to make responsible choices. Our goal is to prepare students to meet their own needs and to meet those of the society in which they live. To this end, Carroll High School provides a broad spectrum of course offerings, academic and spiritual guidance services, and numerous opportunities for student development and enrichment. Educators in our school promote total growth of students as much by whom they are as by what they teach. It is this role modeling, coupled with instructional excellence, that is the heart of Carroll's program.

In view of the demands of the twenty-first century, Carroll High School prepares its young men and women to meet the challenges of the future. Our graduates will take their place in tomorrow's world as responsible citizens. It is our hope that they be open to others and be able to think critically, to solve problems creatively and to live compassionately.

CARROLL PATRIOT FUND

5 Years Growth of Carroll Patriot Fund Unrestricted Gifts

Thanks to all for your generosity of the 2015-2016 Carroll Patriot Fund and for your response to solicitation mailings, Walk for Carroll pledges, Phonathon calls, and all annual appeals conducted to help fund the general operating budget of Carroll High School. Of the **\$292,698** received this fiscal year for the Carroll Patriot Fund, **\$170,841** was unrestricted, used wherever most needed. Unrestricted funds are crucial to help pay teachers' salaries, maintain excellent academic and extracurricular programs, pay utilities and facility needs, and assist with tuition assistance. This ongoing support is key to the continuing operation of Carroll High School, giving us the ability to offer the finest education possible to each and every student. The actual cost of education is approximately \$10,500 for one school year; tuition covers 75% of that cost. Unrestricted support from the Carroll Patriot Fund makes up that difference.

THE FUTURE FOR CARROLL

The Future for Carroll Major Gift Initiative has made progress, bringing about a renovated chapel and new campus ministry center for the 2016-2017 school year. A total of \$306,076 was raised in the 2015-2016 fiscal year to invest in our Roman Catholic mission, create a sacred space that reflects a commitment to our faith, and ultimately transform lives at Carroll High School. **The Future for Carroll campaign is intended to improve the Carroll campus and renovate existing facilities.** Dependent on money raised, and the intent of our donors, future renovations will include a new stadium, modernized science labs, and optimized classroom space that incorporates new technologies.

We are thrilled to provide this sacred space for our students which was made possible through generous donations from Carroll families and our community.

The expanded seating capacity allows larger cross-sections of the Carroll community to gather and celebrate Mass in a space designed to encourage peaceful reflection.

Please prayerfully consider how you can invest in our aging facilities and make a difference today, tomorrow and for generations to come. Contact Pam Tipps for more information at ptipps@carrollhs.org.

"I donate to the Carroll Patriot Fund because Carroll holds a special place in my heart. It's where I grew up. It's where some of my best memories were formed. I have friends to this day that I met at Carroll. I give because I want someone else to have that same experience so that THEY look back in 20 years and feel the same way I do now."

"I support the Carroll Patriot Fund because I want to give back to the place that has contributed to so many of the successes in my life. If it were not for the exceptional education I received along with the numerous resources and mentors available to me during my time at Carroll, I would not be where I am today."

"We participated in the CHS Phonathon from our sophomore to senior years because we knew it would help us develop our communication and sales skills, but also show concrete benefits at Carroll High School. We were motivated by the visible progress we saw on Carroll's campus, resulting from the money we raised."
 Lauren & Heather Young '16

ALUMNI GIVING: A gift from a graduate speaks to the future of Carroll High School. It portrays the preparation alumni received and their desire to ensure current students have the same experiences. We are grateful to the following for investing in the mission of our alma mater and we invite all graduates to join them in creating an environment of excellence in Catholic education.

"My education at Carroll allowed me to be successful at UD and it helped to form my Christian morals and values. My third child is currently a student at Carroll and my first two are successful college graduates. I have always said that my kids could choose any college that they get into and can afford, but the only high school for them is Carroll!"

"We chose Carroll for our children's education because of the community: the friends that are intertwined between the classroom and our parish. The Patriot Fund has helped our family invest in their education. It alleviates some of the financial stress that every family experiences when they have multiple children, all in Catholic schools."

"Why do I support Carroll? There are countless reasons - the outstanding education I received that enabled me to succeed at UD, the strong faith community, the exceptional teachers who inspired me to become a teacher myself, the extracurricular opportunities, the sense of community, and friendships that still exist today. My husband and I sent our sons to Carroll so they could have the same exceptional educational experience I did, and we were not disappointed! Carroll continues to lead the way in Catholic education. Investing in Carroll is truly investing in our future!"

"The reason I continue to support the Carroll Patriot Fund is simple: I want to give back to the school that provided me with a well-rounded education and a clear sense of morals and values. I met many friends at Carroll while attending school in the mid-seventies, many that I still interact with today. I love the sense of community that CHS grads share and I am very proud to call myself a Carroll alumnus!"

"It is hard to believe that I have been a high school graduate for almost a decade! Ten years ago, I was painting up for football games, eating crispiitos at lunch, and gathering at all-school Masses. Now that I teach in the very room where Ms. Wourms taught us to diagram our sentences and outline our essays, I am blessed to see the fun we had from the teacher's perspective. Thankfully, the traditions we cherish strongly ring on today like our beloved Victory Bell. My students are driven, faithful, fun students. I cannot imagine denying any of them the excellent education we had simply because of the cost of tuition. Help us keep Carroll's mission thriving!"
Rachel (Niemer) Barnell '06
