HANDBOOK ACKNOWLEDGEMENT

I have read the 2019-2020 edition of the Student/Parent Handbook of Carroll High School and agree to abide by the rules and regulations stated therein. I agree to cooperate with the school in carrying out these directives. I understand that the handbook is not an exclusive summary of all the policies, practices and procedures of Carroll High School. I am aware that the policies, practices, and procedures of Carroll High School, whether or not identified in the handbook may be revised or discontinued by the school administration at any time. Any revisions or changes will be communicated in writing to students and parents. I also understand that failure to abide by school policies and regulations or failure to meet obligations as outlined in the handbook may result in a student being required to withdraw from Carroll High School at any point in the school year.

I acknowledge that I have read the Responsible Use of Technology Policy contained in this Student/Parent Handbook. I understand that technological resources are provided for educational purposes only. I understand that failure to adhere to this policy may result in the issuance of demerits, the revocation of a student's access privileges, a student's suspension or dismissal from school, or some other consequence determined at the discretion of the Carroll High School administration. In certain cases, if the inappropriate use also violates other school or Archdiocesan policies, additional disciplinary action may be taken.

I (student) agree to abide by the terms and conditions stated in this policy. I (parent) give permission for my son/daughter to access the school's technological resources, including the Internet, in accordance with the provisions of the policy.

In consideration of my acceptance and the acceptance of our son/daughter for the academic school year 2019-2020, by Carroll High School, we acknowledge that we have read the Student Handbook for this academic school year and agree to abide by all the rules, regulations, and procedures contained therein. CARROLL'S NAMESAKE

John Carroll was born in Upper Marlborough, Maryland on January 8, 1735. After being educated in Europe, he joined the Jesuit order in 1753. He returned to America in 1774 and joined the cause for American independence. His cousin, Charles, was a signer of the Declaration of Independence in 1776 and his brother Daniel signed the United States Constitution in 1787.

In 1784, John Carroll was appointed Superior of the Mission for the new American Republic upon the recommendation of Dr. Benjamin Franklin. He became the first bishop in the United States in 1789 when Pope Pius VI confirmed him as the Bishop of Baltimore. He founded both Georgetown University and St. Mary's Seminary in 1791. In 1808, Pope Pius VII elevated John Carroll to Archbishop. Archbishop John Carroll died on December 3, 1815 and is buried in Baltimore.

PHILOSOPHY OF EDUCATION FOR CARROLL HIGH SCHOOL

Carroll High School is a Catholic, coeducational school located in the Archdiocese of Cincinnati. Influenced by the leadership and patriotism of the school's namesake, Archbishop John Carroll, competent and caring educators form a Catholic community with one another and with the young men and women they teach. Within this value system of Catholic beliefs, the educational process unfolds.

The community of Carroll strives to develop each student intellectually, physically, and spiritually. By providing a quality education, involving students in a variety of learning experiences, and fostering the ability to make responsible choices, we prepare students to meet their own needs and those of the society in which they live. To this end, Carroll High School provides a broad spectrum of course offerings, academic and spiritual guidance, and numerous opportunities for student development through service-oriented projects. Educators in our school promote total growth of students not only by what they teach but also by who they are. This role modeling, coupled with instructional excellence, is the heart of Carroll's program.

VISION STATEMENT

Working in partnership with parents and community, we as a school, will endeavor to prepare students to be followers of Christ and seekers of knowledge.

MISSION STATEMENT

In view of the demands of the twenty-first century, Carroll High School prepares its young men and women to meet the challenges of the future. Thus, it is our mission to form a community where caring educators model Catholic values and impart instructional excellence. It is our hope that through service to their families and others, our students will become responsible citizens and leaders of tomorrow. Here, young adults learn to face the challenges of the future, to sustain their lives with prayer, to learn to think critically, to solve problems creatively, and to live compassionately. This is our mission and our prayer.

PUPIL SERVICES

Admissions Policy

Carroll High School admits students of any race, color or ethnic origin and from any geographical region, extending all the rights, privileges, programs, and activities generally accorded to students at the school. Admission is based on a comprehensive review of grades, conduct, attendance, placement test and standardized test scores. Priority is given to Catholic family applicants from traditional feeder schools.

Counseling Services

The counselors aim to help students attain meaningful self-direction for their lives; develop an understanding and acceptance of themselves; attain optimum personal development through education; progress toward productive and rewarding careers; and develop satisfying relationships with others. The staff consists of certified professional counselors who work with the administration and the faculty for the total growth and development of the student. Parents are encouraged to refer their students, especially when the student is doing inferior work, becoming a disciplinary problem, or exhibiting signs of personality changes.

Services include:

- Individual and group counseling
- Conferences with teachers and/or parents
- Administration and interpretation of tests
- Presentation of educational, occupational and personal information
- Individual guidance in scheduling students' classes

Counseling allows for the discussion of the alternatives existing in a given situation; specific needs determine the length and the number of interviews.

To make an appointment, either visit the Guidance Department and register with the secretary or call the Guidance Department any school day between 7:45 a.m. and 3:30 p.m.

Individual Small Group Instruction

The primary purpose is to provide academic support using remedial techniques adapted to the individual student's perceptual strengths and weaknesses. This includes guiding the student to improve study skills, social skills, and organization of time and self, as well as the basic skills of reading, mathematics, and written expression. Psychological testing is required to substantiate eligibility.

School Nurse

The school nurse determines the total health status of all students by maintaining health and immunization records, completing ODH mandated screenings, and counseling students regarding health issues. The nurse recommends remedial action and referrals for health problems and provides care during illness or emergencies. Parents should contact the school nurse at the beginning of each school year regarding any health concerns related to your child. The phone number for the nurse is (937) 253-8188 ext. 320.

Clinic Dismissal

A student who is vomiting, has a rash of unknown origin, or a temperature above 100 degrees will be sent home. Please do not send your child to school until they are free of the above symptoms for 24 hours.

Immunization Requirements

All students in public and private schools are required to have immunizations on file with the school nurse as mandated by the State of Ohio within 14 days of attending school. Students will be prohibited from attending school until they are in compliance with the law.

Medication Policy

- Students are **not** permitted to carry any prescription or over-the-counter medication during school.
- Prescription or over-the-counter medication will not be given by the school nurse or school personnel unless the **Medication Form** is filled out and signed by both the **parent and the physician**. Acetaminophen, ibuprofen and/or antacids may be administered without a physician signature. Parents must provide the medication designated by the physician in the original container.
- Students with asthma may carry an inhaler on their person as long as they have a *Self-Carry Inhaler Form* signed by the parent and physician on file in the clinic.
- Students with severe allergies may carry an EpiPen on their person as long as they have a *Self-Carry EpiPen Form* signed by the physician and the parent on file in the clinic. In addition, a backup dose of the EpiPen needs to be kept in the clinic.
- All medication left in the clinic at the end of the year will be disposed of two days after the last day of school.

BANNERS AND MOTTOS

It is a tradition at Carroll for each freshman class to choose its own banner and motto. The banner contains the class motto.

THE NATIONAL HONOR SOCIETY

The NHS has a very selective membership, limited to those students judged by a faculty board to be outstanding in scholarship, leadership, character and service. The school moderator will provide additional information about NHS membership in the fall of each year.

In order to be considered for Carroll High School's National Honor Society, the following criteria must be met:

1. The student must be a junior or senior.
2. The student must have attended Carroll for at least one semester.
3. The student must have a GPA of 3.7.
4. The student must have received fewer than five (5) demerits each semester of the previous year.
5. The student's character must be exemplary.
6. The student must exhibit an enduring commitment to the qualities of leadership and service at Carroll and/or in the community.
7. The student must meet all published application deadlines.

CLUBS AND OTHER CO-CURRICULAR ACTIVITIES

All students are encouraged to participate in the co-curricular programs at Carroll High School. In order to be eligible to participate in most activities at Carroll, students should have passing grades in all subjects and no more than nine (9) demerits. The Administration reserves the right to remove any student from a leadership position including, but not limited to, Student Council and Class Officers for non-performance of duties.

ALL STUDENTS MUST BE OUT OF THE HALLWAYS BY 3:30 PM EACH DAY. THE ONLY AREAS AVAILABLE TO STUDENTS AFTER THAT TIME WILL BE THE LIBRARY ON THE 3RD FLOOR AND THE GROUND FLOOR HALLWAY AROUND THE GYM, CAFETERIA AND BAND ROOM.

PROCEDURES, RULES, AND REGULATIONS

INTRODUCTION

Carroll High School believes in youth and is dedicated to their spiritual and intellectual growth so that they may develop into well-adjusted citizens. Carroll High School admits students of any sex, race, color, national or ethnic origins to all rights, privileges, programs, and activities generally accorded or made available to students at the high school. Carroll does not discriminate on the basis of sex, race, color, nationality, or ethnic origins in the administration of its educational policies, admission policies, loan programs, athletic programs and/or other school-administered programs or in the hiring of teachers.

To this end the following procedures, rules and regulations will help to direct you. These are for your personal welfare, as well as for the common good of the entire student body. They further the extension of, and the implementation of, the philosophy of Carroll High School.

MASS

Carroll High School believes in public worship of God. Mass will be held for the student body once a month. Attendance at assembly Masses is mandatory. Optional Mass or other services are held every Thursday morning before school in the Chapel. Family members are always welcome.

ATTENDANCE

Regular attendance is required of every student.

A. Absence

1. In the event a student is absent, the parent **must** phone the office (937) 253-8188 extension 0 the morning of the absence (email is also an acceptable form of communication – kbecker@carrollhs.org) by 8:30.
2. Re-admittance Procedure: after any absence, the student will present to the office, before school, a note indicating the day(s) absent and the reason(s) for the absence(s). This note will be written and signed by one of the parents or a guardian.
 - a. Absent Note: The student has four days to bring in a note. For every day that a note is not presented a demerit will be issued. If no note is presented after the fourth day, a Saturday School will be issued. When the Saturday School is served, all demerits relating to the absence will be erased.
3. More than five (5) absences in any class period during a quarter will be deemed excessive. The student must make up all work that is missed. **A Saturday School will be issued once the student has received more than 5 absences in any class period during a quarter.** Additionally, after a student accumulates more than 5 absences in a quarter he/she will automatically meet with the Absence Intervention Team. ALL ABSENCES (except official absences see #9) will go towards the number of days missed. Additional absences will result in consequences levied by the Director of Student Affairs.
4. Exceptions to #3 may be granted by the administration and/or in cases involving medical problems. If such medical problems arise, parents should arrange a conference with the administration in order to avoid loss of course credit.
5. Students must make up work they missed. It is the students' responsibility to make arrangements for this make-up work with the teacher on the day the student returns to school. Work should be made up on a 1 to 1 ratio (one day absent; one day to make up the work). Example: If you are absent on Monday and you return on Tuesday, Wednesday would be considered the one day and all assignments would be due on Thursday.
6. A student who does not make up work on a 1 to 1 ratio and/or not schedule time to make up an assignment with a teacher on the day they return will be given a 0 for the missing work.
7. Abuse of the attendance policy, including being tardy, may result in further disciplinary action by the Director of Student Affairs.
8. If it is necessary for a student to miss school during the day, the parent must send a written note or email to the attendance secretary requesting permission to leave.
9. Missing class for school sponsored activities such as: retreats, field trips, shadow hosting, 8th grade days, etc. will be counted as official absences but will not be counted against the student's absence total. Work must still be made up on a 1 to 1 ratio.
10. Parents are urged to schedule their vacations, which may involve their children, so as not to interfere with school attendance. This is particularly true with vacations at Christmas, Easter and at the end of the year when semester examinations are given. Vacations must be approved by the administration.
11. In the event a student will be out of school for an extended time, teachers are NOT required to give work in advance.
12. Exams missed for absences that are not excused cannot be made up.
13. All time missing from school for various reasons, except school sponsored absences, such as medical appointments, vacations, driver's test, etc., is still recorded as an absence. In certain instances, a doctor's note or college visit verification will also be required for re-admittance.
14. It is the student's responsibility to make up work, tests, etc. when absent. Teachers are not obligated to permit students to make up work and tests if the reason for absence is unexcused by the administration. Any work assigned during a vacation is given at the discretion of the teacher with specifications by the individual teacher for completion time.
15. Truancy is automatic in-school suspension and carries fifteen (15) demerits.
16. Organized skip days are not permitted and students participating in such days with or without parental permission will be truant.
17. If a student is in the Health Clinic for more than 15 minutes, it is counted as 1/7 of a day absence.
18. Sophomores are allowed 2 college visits per year. Juniors are also allowed 2 college visits and Seniors will be allowed to have 3.
19. Students taking College Credit Plus courses must adhere to the policies set forth by Sinclair as well as Carroll policies.

B. Tardy

1. Students who are tardy at the start of the day must report to the main office for an admittance slip by 8:15 am. If a student's arrives after 8:15 am the student will be considered absent and no longer tardy.
2. **Students tardy to school more than three (3) times a quarter will be assigned a one (1) hour detention for each tardy after the third (3rd) tardy until they reach the 9th (ninth) tardy. On the ninth (9th) tardy the student will receive a Saturday School. Any tardy after the ninth (9th) tardy will result in discipline at the administration's discretion.**
3. Students who are tardy for class in the course of the school day are to be given one hour detention by the teacher of that class.
4. Students must be present for half of the school day to be eligible for after school co-curricular activities; students must arrive by 11:30 or be present for 4 periods of instruction (*Exceptions may be given for special schedules.)

C. Lunch Period

1. All students are to eat in the school cafeteria. Students may not leave the school grounds during lunch period.
2. Students may go to the lavatory going to or returning from lunch.
3. **Students are to remain in the cafeteria.**

D. Miscellaneous

1. If a student is removed from class, the student must report to the office immediately. The student will be marked absent for that class period and demerits will be issued.

ACADEMIC POLICIES

A. Academic Probation

Probation means a student is given the opportunity to improve his/her academic performance without being removed from participation in co-curricular activities. A student failing two or more courses on the weekly progress report becomes ineligible immediately. Weekly progress reports must be completed until the next academic progress check.

B. Report Cards

A special evaluative report is made in each subject two times each semester. This report includes the student's progress, effort and present status in the course. Status is indicated by a percentage grade and the final status is the final grade in the course. An Interim will be sent in the middle of each quarter.

C. Honor Roll

Throughout four years at Carroll High School students receive recognition for academic achievement. The student honor roll and GPA are based on the courses within the seven period day only and are determined in the following manner:

Letter grades are converted to corresponding point equivalents: for Honors courses, A=5, B=4, C=3; in regular courses, A=4, B=3, C=2. After grades are issued, point equivalents are multiplied and averaged. The result is the student's weighted grade point average. If the student's weighted GPA is 3.5 or above, he/she is on the Carroll Honor Roll. During the Awards Assembly, held in the second semester, certificates and medals are presented to those students who have attained honor roll status. Students merit the *honors* medal after two semesters; the *high honors* medal after four semesters; the *scholarship* medal after six semesters. Having been on the honor roll for all eight semesters, the student earns the *scholarship* medallion which is worn at the graduation ceremony.

Valedictorian and Salutatorian are chosen according to the number one and two positions in class calculated after the first nine weeks of the second semester of the senior year.

In computing honor roll for a transfer student, the grade equivalent must be the same or higher than Carroll High School's requirements. The student is responsible for submitting proper credentials to the Counseling Center in such a case.

D. Guidelines for Interpreting Grades

A =	90 - 100	Superior	4 points
B =	80 - 89	Above Average	3 points
C =	70 - 79	Average	2 points
D =	65 - 69	Below Average	1 point
F =	0 - 64	Failure	

E. Incomplete Work at the Quarter

If a student is absent too frequently to earn a grade in any one grading period, the grade will be omitted. It is the student's responsibility to contact the teacher for a time limit in which he/she may make up the incomplete work. As a general rule, all make-up work must be completed within two weeks of the quarter end. The grade will then be recorded.

F. Semester Examinations

Semester examinations are administered at the end of each semester and are considered to be a vital part of the evaluation of the learning process. All students are expected to be present for exams. **Requests for early examinations must be approved by the administration.** Exams are worth 20% of a student's semester grade.

DISCIPLINE POLICIES

DEMERIT SYSTEM

1. Purpose

Carroll High School believes that learning is a disciplinary process; therefore, disciplinary means must be used to aid those who cannot discipline themselves. The demerit system makes possible a record of student department.

2. General Procedure Practices

- All demerits issued, regardless of the nature of the infraction, must be signed by a parent and returned to the Director of Student Affairs the day following the issuance of the demerits.
- When a student reaches ten (10) demerits the family will be notified by the Director of Student Affairs regarding the student's conduct. The aim of this phone call is to inform the family that the student is ineligible for extra-curricular activities and to prevent a suspension (15 demerits) which the student is nearing. Parents may call for a meeting with the Director of Student Affairs at any time. Such parental interest is encouraged.
- In the case of a suspension or expulsion, one or more of the following may be considered:
 - The student's entire conduct record as is evidenced by his/her total number of accumulated demerits during his/her time at Carroll High School.
 - His/her attitude as evidenced by the contacts with him/her at the time of each demerit.
 - A written appraisal of the student's conduct and attitude in the classroom by each of his/her teachers.
 - The possibility of keeping the student on a probationary basis.

3. Detention

Detention can be given at the discretion of faculty members for a wide range of offenses including but not limited to: uncovered book, disruption in class, tardiness or out of uniform. When a detention is issued, the student will be given a detention slip to be signed by a parent. Detentions are served on the **upcoming** Thursday from 3:15 pm to 6:15 pm.

3 Demerits first no show

5 Demerits second no show

10 Demerits third no show

4. Saturday School

Saturday School can be given as punishment to various disciplinary issues at the discretion of the Director of Student Affairs. Saturday School is held from 8:00am-12:00pm and students will be notified of the specific date that they are to serve. One time during an academic year, a student may choose to serve a Saturday School to reduce their demerit total by three (3). This may only be done at the Administration's discretion and with nine (9) or less demerits. There is a \$25.00 fee for each Saturday School billed from the Business Office.

10 demerits first no show

15 demerits second no show

4. Suspension

- Any student accumulating a total of 15 demerits in an academic year will be subject to suspension from school. A notice of suspension shall be mailed to the student's residence together with one copy of the same. (In School Suspension = 2 days at school in isolation. The students will be required to do work. Student is banned from all extracurricular activities until the suspension period is over. **Student can only earn a maximum of 50% for all work missed during this time.**)
- The suspended student will be required to make up an appropriate number of detention periods after school or on Thursdays. The student then becomes liable for expulsion for receiving a second suspension within the same school year. A student receiving (3) suspensions within four years is also liable to expulsion.

5. Expulsion

- Expulsion means a student must withdraw from Carroll High School. A student will be subject to expulsion upon receiving a second suspension within an academic year, or upon receiving a third suspension within four years. A notice of expulsion shall be delivered to the student.
- An expulsion becomes final within five (5) school days after receipt of the notice of expulsion, exclusive of the date of receipt, unless appealed in writing pursuant to the appeals provision set forth in Paragraph 6.
- A student who is expelled must remain out of Carroll High School until the next academic year, at a minimum. During this time, the former student may not be permitted on CHS property at any time.
- If a student chooses to reapply for admission to Carroll High School following expulsion, acceptance will be determined by the administration.

6. Appeals Procedure

- a. **Purpose:** At times disciplinary actions may result in concerns or questions regarding the validity of such actions. The following procedure is designed to secure at the earliest, possible solutions and explanations for such questions or concerns.
- b. **Objectives:** To facilitate communication, the following process should be used regarding questions or concerns arising from disciplinary actions. Failure to initiate a step within the noted time constraints means that the disciplinary action has been accepted or resolved.
- c. **Step 1:** The student may request a formal meeting involving the appropriate parties and the Director of Student Affairs. Request for such a conference must be made to the Director of Student Affairs the day following the issuing of a suspension or expulsion by the student. The Director of Student Affairs will set up the formal meeting within two days of request for such a conference. **Any consequences associated with demerits will be upheld throughout the appeal process regardless of hearing date.**
- d. **Step 2:** It is hoped that questions or concerns involving disciplinary actions can be resolved within step 1 listed above. However, if the validity of an action is still in doubt after following step 1, then a student may request a hearing before a Disciplinary Board. Such a request must be made in writing and be made no later than 2 days following the conference outlined in step one. **Any consequences associated with demerits will be upheld throughout the appeal process regardless of hearing date.**
- e. **Disciplinary Board Hearing:** Upon written request for such a hearing the Director of Student Affairs shall schedule a hearing within 2 school days of receipt of the request.
- f. **Evidence Presented:** At the hearing before the Disciplinary Board, the student who has been given a notice of suspension or expulsion may present witnesses and any other evidence which would be relevant in determining the validity of any of the demerits/reasons, which brought about his/her suspension or expulsion. In the case of an expulsion, hearing on the validity of demerits will be limited to those of the last suspension. Any other evidence tending to show that the student should not be suspended or expelled will also be considered by the Disciplinary Board. The administration may also present witnesses and other evidence which is relevant.
- g. **Final Decision:** The Disciplinary Board, after hearing all relevant evidence, shall render a decision as to whether or not the suspension or expulsion was valid within five (5) days from the date of the hearing, exclusive of the hearing date. The decision of the Disciplinary Board is final. The Disciplinary Board will be made up of the Assistant Principal, Principal and a House Dean that is not a member of the student's house.

7. Disciplinary Board

- a. **Purpose:** To serve as an appeals group for students who feel the need to question the validity of a suspension, expulsion, or ineligibility.
- b. **Procedure:** This is set forth in Paragraph 6.

Third Offense: Could result in expulsion from Carroll High School.

Academic Integrity Violations on Homework or other Minor Projects

A first offense will result in a three hour detention, a zero on any work related to the assignment and parents/guardians will be notified. A second offense will result in a Major Academic Violation. All academic violations will apply to a student's career at Carroll High School.

A second violation of the Academic Honor Code, be it categorized as a minor or major, will be treated as a major violation.

The Carroll Health and Wellness Initiative

Carroll High School has approved the adoption of a program aimed at achieving a drug and alcohol-free environment for our students on campus and in our community. The Carroll Health and Wellness Initiative provides for the health and safety of all students. It is based on the premise that mandatory drug/alcohol testing and random drug/alcohol testing serve as a deterrent to the use of alcohol and/or illegal drugs and gives students a credible means to resist peer pressure to try, thereby reducing drug/alcohol experimentation and use. This initiative also provides our students education on topics involving substance abuse. Substance abuse includes, but is not limited to, the use of illegal or counterfeit controlled substances and the misuse of legal drugs and medications. As a proactive and constructive program of prevention, it is not designed to be punitive. Involving professional counseling, it provides a ready resource for support and assistance to any student who may be using illegal drugs and/or consuming alcohol.

While separation from the Carroll community may be the ultimate consequence of multiple positive test results, the program is not intended to identify students for dismissal. Rather, it provides Carroll the framework to help our students and their parents receive counseling, treatment, and educational information regarding substances and substance abuse when necessary. It is our expectation that with this proactive program and a united community, Carroll High School can be a substance-free school.

DRUG AND ALCOHOL POLICY

Students and parents are required to consent to this policy as a condition of a student's continued enrollment at Carroll High School. Attendance at Carroll High School is not a right, but a privilege in which students and parents are to act in a way that supports the health, safety, and well-being of all students. The Carroll High School community recognizes the inherent risks for adolescents in the use of alcohol and drugs. This use is always viewed as abuse since the negative consequences, both short and long term, are well documented and often tragic. Thus, Carroll High School prohibits the use of alcoholic beverages or illegal drugs (as defined by Ohio or federal law), the misuse of prescription or over-the-counter medications for any purpose other than their intended medical use (such as to get high), and/or possession of drug paraphernalia by a Carroll student. A Carroll student includes any student who is enrolled at Carroll High School with the culmination of their Carroll experience coming at the end of graduation. The Drug and Alcohol Policy applies at all times and in all places throughout the student's enrollment at Carroll High School including the months of June, July and August. A student who violates this Drug and Alcohol Policy will be subject to intervention, assessment and treatment, and/or disciplinary measures, within the sole discretion of Carroll High School.

ALCOHOL SCREENING

Carroll High School may subject students to an alcohol test using a breathalyzer or other test for alcohol at its complete discretion during the school day or at school-related events, such as extracurricular activities, dances, and sporting events. Carroll also reserves the right to randomly alcohol test during the school year.

NOTIFICATION OF TEST RESULTS

The parents and student will be notified of a first positive test result from the Director of Student Affairs and/or testing company. The student, parent, and Director of Student Affairs will then set up a time to meet personally to discuss what intervention steps the student will need to fulfill as a requirement of continued enrollment. A first positive test result alone, which is not connected to other violations of the Drug and Alcohol Policy (such as possession of drugs or being under the influence of drugs at Carroll High School during the normal course of a school day) or other school policies, will not result in disciplinary action. If the student tests positive a second time, the Director of Student Affairs will notify the Principal and schedule a meeting between the student, parents, and administrators to discuss disciplinary action and if dismissal is warranted. If a third positive test takes place, the Director of Student Affairs will notify the parents and dismissal procedures will take place. If a parent believes that there was a false positive test, the parent can request an immediate second testing at their expense by the same means and through the same testing company used by Carroll High School.

INTERVENTION MATRIX

First Positive Test

1. Meet with the Director of Student Affairs.
2. Evaluation by certified medical professional or counselor approved by Carroll High School.
3. A medical release to the Director of Student Affairs to access information from the medical professional.
4. Follow through on all recommendations of the Drug and Alcohol professional.
5. Recurring testing throughout the rest of the student's enrollment.

Second Positive Test

1. Meeting with the Principal.
2. The administration will then meet to determine discipline and if dismissal is warranted.
3. If dismissal is not recommended then a comprehensive intervention plan with repeated testing will take place throughout the rest of the student's enrollment.

All expenses for drug and alcohol assessments and treatment programs are to be covered by the student and his/her parents or guardians.

A violation by the student and the parents or guardians of the professional recommendations as set forth in the assessment and the requirements set forth by Carroll High School will jeopardize the student's enrollment at the school and could result in dismissal.

We believe that there is a spiritual aspect to all drug and alcohol use and that the use of these substances is an attempt on some level to fill a void that was meant to be filled only by God. Thus, spiritual counseling by a priest, minister or a person of faith is highly recommended.

SELF-DISCLOSURE POLICY

Drug or alcohol dependency self-disclosures, either by parents or the student, are encouraged at Carroll High School. Carroll recognizes that drug or alcohol dependency is a treatable disease and will extend to the student and his/her family all the support that is available. This support requires following the steps as if having a positive test: professional assessment, follow through on all recommendations of assessment, etc... Recovery for the student is the primary goal of the self-disclosure program. Thus, this allows the student and his/her parents or guardians to take the steps necessary to make sure that the student will test drug and/or alcohol free after going through the appropriate assessment and treatment. A positive test after self-disclosure will result in being viewed under the second positive test criteria.

REFUSAL TO TEST

Enrollment at Carroll High School is a privilege and drug/alcohol testing is required by every student. Every student and parent must complete the "Informed Consent Agreement". If a student refuses to test when required to do so, the test will be treated as a positive test result.

GRADUATION PERTAINING TO DRUG AND ALCOHOL SCREENING

If a senior student is randomly selected for a drug and alcohol test and the test results in a positive within 90 days of graduation, this student must complete the school intervention program prior to receiving a diploma. If this is the student's second offense, he/she is subject to disciplinary action as per the guidelines set in the Drug and Alcohol Policy, as well as the potential to not participate in the Carroll High School senior awards ceremony or graduation.

CONFIDENTIALITY AND THE CARROLL HEALTH AND WELLNESS INITIATIVE

All information received by Carroll High School through the Carroll Health and Wellness Initiative is confidential and will be maintained by the Dean of Students. Access to this information is limited to the Director of Student Affairs, who will retain the records in a secure file. No records will be made available to colleges or universities, or anyone. All records will be shredded and erased upon graduation.

DRUG AND ALCOHOL POLICY AS IT RELATES TO POSSESSION AND OBSERVABLE SIGNS

Participation in extracurricular activities is a privilege, not a right. As representatives of Carroll High School in leadership, performance or competition roles, these students are held to a higher standard of accountability. In order to be eligible to participate in co-curricular activities at Carroll High School, a student should serve as an exemplary role model, abide by all school rules, and comply with all county, federal and state laws.

In addition to the consequences for the general school population, Carroll students who are involved in extra-curricular activities may not participate in any competition, performance, meeting or function and may not perform any leadership in Interscholastic Athletics and all Clubs, for the period of time indicated.

1. Absolutely no use of alcohol, tobacco, illegal or unauthorized prescription drugs will be permitted in or out of the season. As per the student handbook, any student evidencing observable signs involving drugs and/or alcohol will receive 15 demerits and serve an automatic two day in-school suspension.
 - a. *Example: A student is caught drinking during the fall season. He or she is suspended for 1/3 of the remaining season, 10% of the Winter season and 10% of the Spring season. He or she is fully eligible the next Fall.*
 - b. Violations that occur out-of-season will result in suspension of 10% of regular season contests per season for one calendar year. No student shall serve multiple suspensions in the same sport for one offense. 10% will be rounded up to the nearest full game.
Example: If there are twelve games in regular season, the student would be suspended for 1.2 games, which would be rounded up to two full games.
 - c. Any student involved in an activity that does not have an established season (club, band, drama) will not be able to participate in activities for a period of two weeks.
2. If a student is found to be in the presence of alcohol in such a way that they knowingly assist others who are consuming tobacco or illegal drugs, but there is no evidence of consumption, he or she will be given 10 demerits. Additionally, if this occurs during the season (first official practice – last contest) the violation will result in immediate suspension for one-third of the remaining season. No subsequent suspensions will be assigned.

DRUG AND ALCOHOL INTERVENTION PROCEDURE

- a. Once a student receives 15 demerits for violating drug and alcohol policy, a parent and student are required to meet with the Director of Student Affairs to set up an intervention and or treatment program. Failure to comply with the intervention will result in expulsion.
- b. Costs incurred for the intervention or treatment is the responsibility of the family and not Carroll High School.

EXPULSION PROCEDURE

- a. Observable behaviors are collected and documented by Administration and assisting personnel. Possible contraband is confiscated and retained.
- b. Parents are contacted for a conference by an administrator. Parents are advised that their child is being expelled.
- c. Options will be given to the parents along with procedures to be followed for possible re-admittance a year from the date of expulsion. Procedures include but are not limited to:
 1. An extensive evaluation by a substance abuse agency.
 2. Follow through with recommendations made by that agency.
 3. Successful completion of a treatment program may enable the student to return to Carroll High School.

PREGNANCY POLICY

Should a student become pregnant, the parent must contact the school and meet with the school nurse, guidance counselor, and member of the administration. The student may remain in school as long as the family presents evidence of counseling and pre-natal care visits. If the father of the child is a student at Carroll High School he must meet the same requirements. Co-curricular activities for both students will be curtailed as deemed fit by the administration.

VANDALISM AND STEALING

Vandalism of and/or stealing school or personal property will be punished. The punishment can include:

- a. Fines
- b. Demerits
- c. Full payment of damages
- d. Labor to be supplied and/or compensated by said violator
- e. Possible suspension
- f. Possible expulsion

THE ADMINISTRATION RESERVES THE RIGHT TO LEVY DISCIPLINARY MEASURES FOR ANY OFFENSE OR MISCONDUCT OF AN OVERALL SCHOOL NATURE, EVEN THOUGH NOT MENTIONED SPECIFICALLY IN THE ABOVE RULES AND REGULATIONS. SUCH MEASURES MAY BE NECESSARY AT TIMES ESPECIALLY WHEN STUDENTS PROMOTE ACTIVITIES THAT ARE IN CONFLICT WITH THE PHILOSOPHY AND VALUES OF CARROLL HIGH SCHOOL.

PARENT SUPPORT ORGANIZATIONS

There are various volunteer opportunities at Carroll High School for parents who want to get involved.

ATHLETIC RULES

Athletics play an important role in the school program. However, the student must always remember that participation in sports and attendance at athletic contests sponsored by Carroll High School is secondary to studies. As a Catholic school our focus is also on teaching Christian values. Although athletics are secondary, they play a vital part in your education. In many instances they have helped the student to learn to get along with people, directed the student proper physical development in particular skills, aided the student to make good use of leisure time, to give and take in a mature way, to lose and win in a dignified way. At Carroll High School we believe that promoting sportsmanship, ethics and integrity in extracurricular activities should be part of the challenge to excel.

INTERSCHOLASTIC POLICY

The following statements of policy regarding training rules and conduct for all participants in interscholastic sports have been adopted by the Carroll High School Athletic Department. These are minimum regulations. However, because of the nature of their sports, individual head coaches may need to require specific regulations for their

athletes, subject to approval of the Athletic Director.

1. All team members must be at all meetings, practices, and special occasions where the team is involved unless excused by the head coach. Unexcused absence may result in being dropped from the team.
2. An athlete should be present at the awards presentation to end the season. Unexcused absence may result in loss of award and loss of eligibility for future participation in athletics. The awards presentation is considered the official end of the season, therefore team and athletic department rules pertain until after the presentation.
3. If an athlete quits without consulting the head coach before leaving the squad, the student is ineligible for participation in any sport for the remainder of the year.
4. Before participating in practices or athletic contests, each athlete must have an EMA (Emergency Medical Authorization) signed by his/her parents/guardians, an Ohio Department of Health Concussion Information Sheet signed by his/her parents/guardians, and have a current physical on file in the Athletic Office. The physical is an O.H.S.A.A. rule and there are no exceptions. Physicals are good for one calendar year.
5. Any athlete who is on the eligibility sheet as of the first contest is required to pay the fee as follows: \$185.00 first sport; \$170.00 second sport; \$160.00 third sport. The family maximum is \$675.00. The tuition/payment office will bill you once a team roster has been established.
6. Fees for athlete passes is as follows: Adult \$95.00, Student \$70.00 and grade school student \$45.00.
7. Any student athlete that is disqualified from a contest for unsportsmanlike behavior is subject to school discipline as well.
