## MESSAGE from the Director of Advancement

Fellow Patriots,

The past year has once again showcased the remarkable compassion, unwavering perseverance, and indomitable spirit that define the Archbishop Carroll High School Family. In a world fraught with uncertainty, the enduring light of Carroll continued to shine brightly, serving as a beacon of hope and a wellspring of strength for countless individuals. This profound resilience was made possible by the remarkable dedication of our record 2,564 donors, each of whom

played an integral role in sustaining the Patriot Spirit. This also resulted in a record level of donations exceeding \$1.2 million.

Amidst the challenges that surrounded us, our collective resolve was exemplified through two pivotal initiatives: the October Day of Giving and the springtime Patriot Promise Tuition Assistance Fund Drive. As a direct result of your generosity, the 2022-2023 academic year bore witness to an array of significant achievements that would have been unattainable without the unwavering support of our cherished Archbishop Carroll community.

### **BECAUSE OF YOU**

- » Our students will grow their STEM knowledge in a new state-of-the-art Anatomy Lab and the new Thomeczek Family STEM Lab on the first floor. This brings the total of our new STEM Classroom spaces to seven in the past three years.
- » Our stadium home bleachers and press box have been fully replaced with a new fully accommodating set of stands and operational press box which will enhance the viewing experience of all our spectators for generations to come.
- » Our cafeteria received a full complement of new tables. This will enhance our school activities and community event capabilities in this large gathering space.
- » Our campus athletic facilities upgrades continued with a fully refurbished floor, funded by the Carroll Alumni Association, in our main gym with the Carroll athletic logo vibrantly displayed at center court.
- » Our Marching Band and Winter Guard will utilize a fully refurbished full sized trailer for all their competitions and travel that will proudly display our school logo in vibrant red, white and blue everywhere it goes.
- » Much-needed financial assistance was provided through several hundred gifts of tuition assistance and 203 merit-based scholarships.
- » 11 new quality faculty and staff members were hired by offering competitive salaries.
- » Campus life was improved by providing cultural, social, and leadership opportunities for students.
- » Students were provided with an increasingly safe campus environment, taking full advantage of recent investments in technology and necessary educational resources.
- » More than \$1.2 Million was secured during the 2022-2023 school year from 2,564 alumni and friends, including 594 current students, surpassing last year's record of donors and setting a new record for donations.

# MISSION AND PHILOSOPHY

## MISSION

Archbishop Carroll High School is a welcoming Catholic community intentional in the holistic formation of its students for a life of virtue, academic excellence, and service to the common good.

## PHILOSOPHY OF EDUCATION FOR ARCHBISHOP CARROLL HIGH SCHOOL

Archbishop Carroll High School is a Catholic, coeducational school located in the Archdiocese of Cincinnati. Influenced by the leadership and patriotism of the school's namesake, Archbishop John Carroll, competent and caring educators intentionally form a Catholic community with one another and with the young men and women they teach. Within this value system of Catholic beliefs, the educational process unfolds.

The community of Carroll strives to develop each student intellectually, physically, and spiritually. By providing a quality education, involving students in a variety of learning experiences, and fostering the ability to make responsible choices, we prepare students to meet their own needs and those of the society in which they live. To this end, Carroll provides a broad spectrum of course offerings, academic and spiritual guidance, and numerous opportunities for student development through service-oriented projects. Educators in our school promote total growth of students not only by what they teach but also by who they are. This role modeling, coupled with instructional excellence, is the heart of Carroll's program. Working in partnership with parents and community, we as a school, will endeavor to prepare students to be followers of Christ and seekers of knowledge.

*Charity unites us to God...There is nothing mean in charity, nothing arrogant. Charity knows no schism, does not rebel, does all things in concord. In charity all the elect of God have been made perfect.*

— Pope St. Clement I

## CARROLL PATRIOT FUND

Thanks for your support of the 2022-2023 Carroll Patriot Fund and for your response to solicitation mailings, personal calls, social media pleas, Giving Day messages, and email appeals conducted to help fund the general operating budget of Archbishop Carroll High School. Of the **\$408,446** received this fiscal year for the Carroll Patriot Fund, **\$305,739** was unrestricted, used wherever most needed. Unrestricted funds are crucial to help pay teachers' salaries, maintain excellent academic and extracurricular programs, pay utilities and facility needs, and assist with tuition assistance. This ongoing support is key to the continuing operation of Archbishop Carroll High School, giving us the ability to offer the finest education possible to each and every student. The actual cost of education is approximately \$13,500 for one school year; tuition covers approximately 80% of that cost. Unrestricted support from the Carroll Patriot Fund makes up that difference.

## FOUNDATION FOR THE FUTURE CAPITAL CAMPAIGN VS. CARROLL PATRIOT FUND

# WHAT IS THE DIFFERENCE?

Think of Archbishop Carroll High School as a large investment, like buying a house. You have to make payments on your mortgage, but you also need to pay to keep the lights on. In the world of fundraising, capital campaigns & endowments are like the long-term investment of mortgage payments, while the annual fund (known as the Carroll Patriot Fund) is like the immediate need to pay the utility bills.

## ONE GREAT DAY OF GIVING RECAP

THANK YOU for helping to make October 20, 2022 **One Great Day** for Archbishop Carroll High School! Our entire community of alumni, faculty, staff, current parents, and even current students gave in overwhelming numbers in an attempt to double the impact of their gift to Carroll. Together we united in Patriot Pride and raised a total of **\$397,091!** The Class of 1967 was the top class in participation, and the Class of 1972 was the top class in giving amount!

**SAVE THE DATE: OCTOBER 19, 2023**  
**One Great Day of Giving**

## KEEPING THE PATRIOT PROMISE

Archbishop Carroll High School remains committed to providing the best Catholic education at a reasonable cost. The Patriot Promise Tuition Assistance Fund is a portion of the Carroll Patriot Fund designated to help meet tuition affordability challenges. Thank you to those who responded to this plea and helped raise **\$102,707** for students in need.

# FOUNDATION FOR THE FUTURE CAPITAL CAMPAIGN

An Archbishop Carroll High School education is truly a gift from one generation to another. For more than 60 years, Carroll has laid the foundation for thousands of young men and women to answer God's call to be more and do more. This foundation would not be possible without thousands of parents, vowed religious faculty, educators, and dedicated alumni and volunteers who have shown tremendous generosity and unwavering loyalty to Carroll since it opened in 1961. While the Patriot community's love for Carroll has not faded with time, our facilities have never been in greater need of renovation. Over \$6.5 million has been raised so far but more help is needed to modernize our campus so that we can continue providing an excellent Catholic education that inspires every Patriot. The 2022-2023 donations to the Foundation for the Future Capital Campaign provided new home bleachers and a press box in the stadium as well as a renovated STEM classroom, bringing the total of modernized learning spaces to seven since 2020. We will keep our focus on our award-winning science program and renovate the remaining first floor science labs next summer to finish out this important project! Thank you to the generous lead donors who made this campaign possible.

"The Patriot Fund enables a high school experience that encourages a faith journey, service to the common good, and academic excellence. No other area high school does this better. For our daughter, Mia, Carroll provided stability, opportunity, and an exceptional education despite the typical pandemic high school experience of most other seniors today. As parents, we are grateful that CHS educates the whole student. We hope our generosity sets a good example for our children that charitable donations enable positive change in the world."

"From the very first time we visited Archbishop Carroll High School, we could tell that Carroll was a very special place. Our daughter, Sydney, has grown both academically and spiritually in the Carroll environment, which inspires curiosity.

The unique House system, athletic teams, and the myriad of extracurricular activities help students form lifelong friendships. We have been welcomed into the Carroll community, which has become like a family to us. The impact that Carroll has made in our lives is immeasurable, and we hope that our contributions to The Patriot Fund will help make a difference in the lives of future Patriots."

"We donate to Archbishop Carroll High School for many reasons. Carroll is deeply rooted in the Catholic faith, challenges students academically, creates a sense of community with the House System, and provides students with a variety of extracurricular activities. Our son has excelled in so many ways through the dedication of his teachers, coaches, and staff. Carroll is truly amazing, and we are blessed to be a part of this community. We couldn't have asked for a better high school experience for our son, and for that we are very grateful. Our donation now will continue to give students of the future the same opportunities our son has today."

"We are proud Carroll parents! We chose Archbishop Carroll High School for its academic strength and its commitment to nurturing students' Catholic identity and faith. Over the years, we've been so impressed by the genuine care and dedication shown to students by all of the adults at Carroll: faculty, staff, administration, coaches, volunteers, and parents! Carroll is responsible, yet the Carroll community still needs our help. Our financial support is an investment in education and helps the school prepare students for the world in which they will live after graduation. We are all called to grow God's kingdom, and for us, supporting Archbishop Carroll High School and its students—the future of our Faith—is a part of acting on that call."

"As past graduates of  
Immaculate Conception  
Grade School, Carroll  
High School, and the  
University of Dayton, we  
appreciate and support  
Catholic education.  
Catholic Schools are  
communities that inspire  
academic, spiritual, and  
social success. We have  
made lifetime friends  
from Catholic schools  
that we continue to value  
today. Our children  
and grandchildren have  
and still benefit from  
a balanced Catholic  
education with financial  
support from the  
community. In honor of  
our 50-year reunion, we  
challenge the class of '73  
to contribute to the Patriot  
Annual Fund so future  
generations can benefit by  
building values and friends  
for a lifetime."

"Carroll provided the foundation that I required for my path in life. The values, faith, commitment, and mission that the entire Carroll staff delivers to the student body is an uncompromised example of what a Catholic education can provide. The lifelong memories and friendships that were forged during my early years at Carroll are still cherished even after 45 years. I invite the Class of 1978 to help perpetuate this feeling of 'Carroll Community' and provide a donation to the Carroll Patriot Fund to help preserve this great institution and culture for decades to come."

-David Green, Carroll Class of 1978

## PARENTS OF ALUMNI

The continuing commitment made to Archbishop Carroll High School each year by the families of our alumni is greatly appreciated. This past year the school was beneficiary of support from both parents of recent graduates, as well as from families whose association with Carroll began decades ago. Thank you for helping Carroll maintain our standards of excellence.

"My husband, Greg Terbay '98, and I support the Carroll Patriot Fund because we see the advancements happening at Carroll and are inspired by the students who are impacted by such generosity. Coming back to Archbishop Carroll High School as the Director of Admissions has been a true blessing because I am able to work with students every day and see the impact that our gifts have on the lives of these students. Greg and I are so thankful to be working and volunteering in this community and can't wait until our own children are able to begin their journey as Patriots."

"I'm grateful for my experiences at Carroll that not only provided a great foundation for academic success, but also imparted the importance of character, service, faith, and community. I give to Carroll out of gratitude for these experiences that still inform the way I live today. By donating to Carroll, I hope to honor the teachers who made an impact on me and the friendships that I made, many of which remain strong 20 years later."

-Sara (Woolf) Anderson,  
 Carroll Class of 2003

*"Giving philanthropically to educational institutions is something I promote every day professionally, so naturally, supporting my alma mater is extremely important to me. It is personal, as I was a student that needed financial assistance to be able to attend and finish high school. I became a better student and a more well-rounded person due to my time at Carroll, so there is a strong sense of obligation to support as an alum. I especially love how I can give to the areas of Carroll that resonate with me (athletics, academics, capital projects, etc.). I give with the hopes that my support will not only provide opportunities for the next generation of Patriots, but inspire my fellow alumni to do the same."*

*~Adam Fearing, Carroll Class of 2008*

*"After ten years removed from our experience at Carroll, we cannot help but to reflect on the immense impact that our Catholic education has had on our lives.*

*Carroll provided a rigorous, but rewarding, opportunity to challenge ourselves academically, spiritually, and athletically in preparation for higher education and to ultimately make a positive impact on our community. Carroll provides opportunities for personal development that is unrivaled throughout the Greater Dayton area. We will contribute to the future success of the students so they can experience the benefit that Carroll provided us during our formative high school years."*

*~Nate & Ciara (Poppa) Hemmert, Carroll Class of 2013*

## DID YOU KNOW THAT 9 OUT OF 10 COMPANIES OFFER A MATCHING GIFT PROGRAM?

Annually an estimated \$2-3 billion is donated through matching gift programs. Corporate matches of employee donations are 12% of total corporate cash contributions. An estimated \$6-\$10 billion in matching gift funds goes unclaimed per year. To help Carroll donors maximize the impact of their generosity, we are partnering with a service provider to make it as convenient as ever to find and process your company match to DOUBLE THE IMPACT of your generosity. This exciting upgrade is available now at [www.carrollhs.org/giving/givetoday.cfm](http://www.carrollhs.org/giving/givetoday.cfm).

You can also find out more information about matching gifts from your employer's personnel office.

"Personally speaking, I can say unequivocally that I would not be where I am today—personally, professionally, or spiritually—withou-

Carroll. As I started my first real job in commercial banking, I was reminded that Mr. Seyfang was the individual that introduced me to economics and helped cultivate within me a passion for business. Without that class and his instruction, I would never have majored in economics and landed my current job. That experience speaks to the tangible impact Carroll has on its students. As an alum, I feel an immense duty to continue this legacy for current Carroll students, allowing them to have the same tremendous high school experience as me."
