June 2024

Dear Students and Parents,

Even though we are just starting to get into the rhythm of summer, we want to provide you with some important information for the 2024-2025 school year.

The school year will begin on Wednesday, August 14, 2024. On this day, **freshmen** will have a full day, 8:00 a.m. to 3:00p.m. **Transfer students** will attend an orientation session from 8:00 a.m. – 11:00 a.m. On Thursday, August 15, all students will report by 8:00 a.m.

Everyone is asked to pick up class schedules on Wednesday, August 7, between 9:00 a.m. and 3:00 p.m. Schedule changes will only be made for academic reasons and must be approved by the Director of Academic Development. The band and guard will be holding a Used Uniform Sale during these hours or until the merchandise is gone. The Spirit Shop will be open that day for the purchase of spirit wear and the 1/4 zip uniform pullover.

Due to security enhancements being implemented over the summer, all students **must** wear their picture ID on a lanyard at all times. This card will be used as a debit card to purchase lunch, check out textbooks from the bookstore, and can be used for admittance at all home athletic events. Returning students will have their badges ready on the first day of school using pictures from last school year. However, **ALL new students must have their picture taken on August 7 during schedule pick up.** All students who drive to school will need to purchase a parking pass. Information on this process was sent to students via email earlier in the summer.

We would like to remind you that **before your student can get his/her schedule you will need to access your Family Portal** to complete the enrollment/re-enrollment process. You should have received information regarding this to the email address you provided Archbishop Carroll High School. Any questions should be directed to ndruck@carrollhs.org.

Please feel free to contact us with any questions. Summer office hours are Monday through Thursday from 7:30 a.m. – 12:30 p.m. The building will be closed from July 1 – July 14. I hope the rest of your summer is safe and enjoyable!

It's a great day to be a Patriot!

Sincerely,

Matthew T. Sableski
Principal

Dear Patriots and Parents:

As Athletic Director at Archbishop Carroll High School, I would like to welcome everyone back to another exciting year of Archbishop Carroll High School Athletics! For those new to our family, welcome to the home of the **PATRIOTS!** Our faculty, administration and coaching staff are very excited about the opportunity to work with you in these all-important high school years. A number of you have chosen to be involved with athletic teams while at Carroll. The following information outlines requirements to participate, including academic eligibility, athletic forms, conditioning times for fall sports, and fall tryout information.

OHSAA PRE-SEASON PARENT MEETING: The OHSAA requires a mandatory meeting for parents prior to the start of each season. The meeting for all Fall sports will be held on Monday, August 5, 2024. The meeting will begin at 6:00 PM in the school cafeteria. Topics covered will include, eligibility; school policies regarding athletics; and state regulations.

ATHLETIC FORMS: Students planning on participating in interscholastic athletics are required to have a valid OHSAA Pre-Participation Physical Form on file in the athletic office. Students, along with their Parent/Guardian, will also need to complete and electronically sign required athletic forms. The forms may be found in a student's FinalForms account.

An OHSAA Pre-Participation Physical Exam Form may be downloaded from a student's FinalForms account under the "Forms" tab. Please bring the physical form with you to your physical appointment. Physicals are valid for one calendar year, with a grace period of one month for insurance purposes. The two pages of the physical form the doctor completes and signs are the only hard copies that need to be on file with the Athletic Office. These two pages may be uploaded to a student's FinalForms account or turned in to the Athletic Office.

FOOTBALL: The Carroll Football team has recently begun their summer practices. It is not too late to join the team. Lunch Accounts

New Cafeteria Payment Portal for 2024-2025

Starting June 12, 2024, WG Grinders Cafeteria Operations will partner with Meal Magic to manage our lunch service software and online payments. Our previous provider, Myschoolaccount.com, sold their software and payment system to Meal Magic. **The myschoolaccount.com payment portal will no longer be able to take payments after June 6, 2024.** The new payment portal will not begin taking payments until June 12, 2024. This will allow WG Grinders Cafeteria Operations time to transfer all balances to the new software.

On the back of this letter is an information sheet that will guide you through the setup process. The Family Portal for Meal Magic is very user-friendly and will allow you to transfer funds between siblings, set daily spending limits, and limit the purchase of certain items.

Note: Any money that was left on your child's account at the end of the school year will show up on your on your child's account for the next school year automatically. There is nothing that you need to do for this to happen.

Feel free to email Mark Jones at wgrinders@wgrindersdayton.com with any questions.

What is Meal Magic Family Portal?

Meal Magic Family Portal combines features that previously were available elsewhere but required you to visit multiple websites. Now, all food service activity can be accessed through a single site.

You can use Family Portal to view balances, see account and purchase histories, make deposits, transfer money among family members, set parental controls, apply for meal benefits, complete household information reports, and order meals. Some schools might not offer all of these features.

Registration Tips

Before registering, add *.familyportal.cloud as a safe domain email sender in your email app. If you think you did not receive an email, try looking in your spam folder. If it's there, be sure to mark it as safe for future email messages.

If you get a message about not being able to access your account, try using the **I forgot my passphrase** option under **My Account**.

Registering (Creating an Account)

Each school district has its own Family Portal web address. You will need to create an account at each one you need to access. Our portal address is wggrinders.familyportal.cloud

Registering an account has two parts. In the first part, you will be asked to enter your email address and agree to the site's Terms of Use and Privacy Policy, after which an email will be sent to you.

Email is sent to confirm that you have access to the address you used. If you click the link that is in the email, you will be returned to Family Portal to complete the second part of registration, which entails entering your real name and setting a passphrase to protect your account.

Registrations must be completed within 20 minutes. If you take too long, you will need to click the **I need to unlock my account** option.

1. Click **My Account**.
2. Click **I need to register as a Family Portal user**.
3. Enter your email address for the **Username**.
4. Click **Next**.
5. Read and **Accept** the Terms of Use and Privacy Policy.
6. Check your email for activation instructions.
7. Click the link in the activation email.
8. Enter your first and last name and set a passphrase.
9. Click **Submit**.

Important Note About Passphrases

A passphrase is like a password but usually is longer and has fewer restrictions on format. Your passphrase will be tested against a database of passwords known to have been compromised on other websites and will be rejected if a match is found.

For security, **never** use the same passphrase on more than one website, and **never** share your passphrase with anyone, including your district or our support team. Treat it as highly confidential.

My Account

After successfully completing registration, you will use **My Account** whenever you want to access your account.

If you have forgotten your passphrase, enter your Username and click **I forgot my passphrase**.

Adding Family Members / Pending Approvals

When logged into Family Portal, you will have the ability to add family members to your account by using the **Add Person** button. Minimally,

you will need to know the ID Number assigned by the school to the person along with the person's first and last name. **There will be no need to add a prefix to the ID numbers as in past years.**

Before you can access information for a person attached to your account, your school district must approve your access to them. Once approved, you will be able to see balances, settings, and histories.

Removing Family Members

To remove a family member using a smart device, swipe left on the member's name and then click the trashcan icon. On a PC, hover your mouse over the name to reveal the trashcan.

Adding Money for Family Members

When you are logged into your account, click the **Deposit** button when you want to add money for family members. Enter an amount for each person you want to give money and then click **Check-Out** to see your payment options. Click the payment method you want to use, provide the requested information, and click the **Pay** button.

Transfer Money, See History, Change Settings

Touch or click a family member on the **My Account** page if you want to transfer money from that person to another on your account, or if you want to view account history including purchases, or if you want to set parental controls (if allowed by the district).

Low-Balance Reminder Email

If you would like to receive email notifications when a family member's account balance is running low, click the Notifications button on the My Account screen. Uncheck the first box if it is checked, and then check the second box. Set a dollar amount (\$0, \$5, \$10, \$15, \$20 ... up to \$50). An email will be sent when a balance reaches or goes below the amount you set. Reminders repeat every three days as necessary.

How-To Videos

Click the **How-To Videos** button if you want to view videos about using Family Portal. [Family Portal \(spotlightr.com\)](https://www.spotlightr.com)

More Information and Who to Call for Help

Your information is saved with your school's private data and is not accessible by Meal Magic Corporation. Our support team cannot view your account or any person connected to it.
