MISSION AND PHILOSOPHY

MISSION

Archbishop Carroll High School is a welcoming Catholic community intentional in the holistic formation of its students for a life of virtue, academic excellence, and service to the common good.

PHILOSOPHY OF EDUCATION FOR ARCHBISHOP CARROLL HIGH SCHOOL

Archbishop Carroll High School is a Catholic, coeducational school located in the Archdiocese of Cincinnati. Influenced by the leadership and patriotism of the school's namesake, Archbishop John Carroll, competent and caring educators intentionally form a Catholic community with one another and with the young men and women they teach. Within this value system of Catholic beliefs, the educational process unfolds.

The community of Carroll strives to develop each student intellectually, physically, and spiritually. By providing a quality education, involving students in a variety of learning experiences, and fostering the ability to make responsible choices, we prepare students to meet their own needs and those of the society in which they live. To this end, Carroll provides a broad spectrum of course offerings, academic and spiritual guidance, and numerous opportunities for student development through service-oriented projects. Educators in our school promote total growth of students not only by what they teach but also by who they are. This role modeling, coupled with instructional excellence, is the heart of Carroll's program. Working in partnership with parents and community, we as a school, will endeavor to prepare students to be followers of Christ and seekers of knowledge.

*Charity unites us
to God...There is
nothing mean in
charity, nothing
arrogant. Charity
knows no schism,
does not rebel, does
all things in concord.
In charity all the elect
of God have been
made perfect.*

– Pope St. Clement I

CARROLL PATRIOT FUND

Thanks for your support of the 2024-2025 Carroll Patriot Fund and for your response to solicitation mailings, personal calls, social media pleas, Giving Day messages, and email appeals conducted to help fund the general operating budget of Archbishop Carroll High School. Of the **\$536,115** received this fiscal year for the Carroll Patriot Fund, **\$365,404** was unrestricted, used wherever most needed. Unrestricted funds are crucial to help pay teachers' salaries, maintain excellent academic and extracurricular programs, pay utilities and facility needs, and assist with tuition assistance. This ongoing support is key to the continuing operation of Archbishop Carroll High School, giving us the ability to offer the finest education possible to each and every student. The actual cost of education is approximately \$14,500 for one school year; tuition covers approximately 89% of that cost. Unrestricted support from the Carroll Patriot Fund makes up that difference.

FOUNDATION FOR THE FUTURE CAPITAL CAMPAIGN VS. CARROLL PATRIOT FUND

WHAT IS THE DIFFERENCE?

Think of Archbishop Carroll High School as a large investment, like buying a house. You have to make payments on your mortgage, but you also need to pay to keep the lights on. In the world of fundraising, capital campaigns & endowments are like the long-term investment of mortgage payments, while the annual fund (known as the Carroll Patriot Fund) is like the immediate need to pay the utility bills.

CAPITAL CAMPAIGN & ENDOWMENT		ANNUAL FUND	
Savings Account	Needs to Increase with the Growth of the School 	Checking Account	Expenses not covered by Student Tuition
Investment		Every Year	
FOUNDATION FOR THE FUTURE		IMMEDIATE NEEDS	
Long-term	Stability during times of recession 	Short term	ACCESSIBLE
BUFFER		Small gifts making a large impact	Available to use
Lasting Security			RECURRING

THANK YOU for helping to make October 17, 2024 **One Great Day** for Archbishop Carroll High School! Together we united in Patriot Pride and raised a total of **\$425,031!** The Class of 1980 was the top class in number of donors (32), the Class of 1966 was the top class in participation (16.9%), and the Class of 1972 was the top class in giving amount (\$31,608)!

SAVE THE DATE:
OCTOBER 16, 2025
One Great Day of Giving

KEEPING THE PATRIOT PROMISE

Archbishop Carroll High School remains committed to providing the best Catholic education at a reasonable cost. The Patriot Promise Tuition Assistance Fund is a portion of the Carroll Patriot Fund designated to help meet tuition affordability challenges. Thank you to those who responded to this plea and helped raise **\$170,711** for students in need.

FOUNDATION FOR THE FUTURE CAPITAL CAMPAIGN

An Archbishop Carroll High School education is a timeless gift, passed from one generation to the next. For more than six decades, Carroll has provided a strong foundation for thousands of young men and women to answer God’s call to be more and do more. This legacy of excellence exists because of the unwavering loyalty and generosity of parents, vowed religious, faculty, alumni, and volunteers since our doors first opened in 1961. Today, our love for Carroll is stronger than ever, but our facilities are in greater need of renewal than at any time in our history. With more than \$8 million already raised, we are making remarkable progress—but additional support is vital to modernize our campus and sustain the exceptional Catholic education that defines the Patriot experience. Thanks to the generosity of our lead donors, transformative projects have been completed: our chapel restored as the spiritual heart of campus; the stadium revitalized with a new field, track, press box, and bleachers; and a state-of-the-art science center built alongside the renovation of six STEM labs. Each improvement has enhanced student learning, strengthened our community, and reaffirmed our shared mission. We are profoundly grateful to every supporter who has made these achievements possible, and we look forward to building the next chapter of Carroll’s future together.

"My sister and I were fortunate to graduate from Carroll with good teachers who encouraged us to further our education beyond high school. The passing years have allowed Carroll to grow into a great school with so many opportunities for all the students. The establishment of the House System that includes all grade levels in each house, has created a family atmosphere and has allowed those who might become 'lost in the shuffle' to grow and reach their full potential. Join me in supporting Carroll! Carroll gave me a start and the impetus to continue my education and continue to help others, and I want to help other Carroll students experience the same gift."

"I support Archbishop Carroll High School because I recognize the pivotal role that Carroll played in forming me as a person. As a long-time educator at Carroll (now retired), I witnessed first-hand the positive effects that Carroll, and the values it stands for, have had on thousands of students over the years, including those of my own children. The Carroll family is something special, and I am proud to be part of it, and to support it!"

"It has been a long time since I walked across the NCR stage to receive my diploma in 1970, but Carroll remains in my heart and my life. Carroll provided me with many things over the years, but the most significant is community. As a student, the Carroll community enabled me to nurture lasting friendships that have provided strength in difficult times and joy in life's successes. Service to others is another trademark of the Carroll community, that continues today and is a proud foundation of Christian education. It is my hope that through our prayers and financial support, others will have the opportunity to share in the Carroll community."

"I am grateful for my education, faith and the community that Carroll has provided me with. It was an easy decision for my husband, Erik '93, and I to send our children to Carroll knowing that they too would be surrounded by a community that would guide and model the values we hold core to our children's development as young adults. To be an active part of the community at Carroll allows my family to continue to grow our faith, build connections, and be part of a village that loves and cares for us. We are blessed to have another place we consider home."

"When I really sit back and think about my time at Carroll and how fast the last few decades went, it is truly hard to grasp. That said, those 4 years are still some of the best years of my life. The network that I built at Carroll, the memories I so fondly cherish, and the life lessons acquired, are all still a huge part of who I am today. I feel so blessed to have gone through that experience as a Patriot and will continue to support the school so other students can have similar positive experiences."

"Coming from a non-traditional feeder school, we have seen our children thrive within the truly special Carroll community. They have found shelter in the House System, which welcomed them on day one. They have matured through academic challenges with the help of caring teachers and absorbed the culture of faith-filled kindness and excellence embodied by leadership, coaches, and teachers. They have been nudged out of their comfort zone and supported by an environment that embodies the Catholic principle of 'love your neighbor.' At Carroll, we're blessed with leadership that cares about the little things that make our students feel welcome. We all want to continue providing these experiences to future Patriots, and we invite you to consider the impact of the Carroll Patriot Fund on affordable tuition for every Carroll family. Your support and generosity mean the world to our Carroll community and future generations of Patriots."

"Carroll is a very welcoming and engaging community that provides opportunities to set students up for an enriching life. Not only does Carroll light the way for its students to have successful careers and futures, but Carroll faculty teach us as students to light the way for future generations and make a lasting impact in the world. As one community, we should all look for opportunities to lend a helping hand and provide for people in need."

"I am constantly reminded of how my Carroll education was so valuable to my future, professionally and as a human being.

Carroll is where true innovation in education is practiced, and mutual respect between faculty and students is tangibly experienced. Carroll is remarkable, not only because of the superior educational opportunities offered, but also because of the lessons I learned from the entire Carroll experience about faith, friendships, and leadership. Consider joining me in donating so that many future generations of Patriots can experience the same opportunities and benefits as we did."

"As a Carroll parent, I've had the privilege of witnessing firsthand the numerous opportunities that this community provides for our children.

Whether through academics, sports, or house competitions, our students are empowered to thrive, learn, and grow. It's truly a blessing to see these young individuals inspire each other to be their best, ultimately bringing out the very best in themselves. So, I urge you to join me today and stand with Carroll in our mission to ensure a quality Catholic education for this generation of Patriots and those who will follow."

Carroll Parent of Madison '25

"We support Carroll because we believe that Carroll prepared us for success. The rich, diverse experiences provided to students through academics, sports, and extracurriculars provides them unparalleled experiences. Carroll will always hold a very special place in our hearts as the place where we met as high school sweethearts. We hope you will join us in supporting current and future Patriots!"

"We have sent our 5 children to Archbishop Carroll High School and have felt so blessed with the education, faith formation and sense of community they have received. We feel it is our privilege to give back to the Carroll family by sharing our time and resources where we can. We have really enjoyed the sense of community and getting to know other parents by volunteering at different events. Giving back is a great way to be part of the Patriot family!"

"At Carroll, we're not just expected to focus on our own success, but also to support others, whether that's helping a classmate understand a tough lesson, volunteering in the community, or setting a good example through our actions. The school creates an environment where we are encouraged to discover our talents and use them to make a positive impact. Carroll has opened a lot of doors for me academically and has allowed me to find my strengths for my future. Carroll has pushed me and supported me through various levels of coursework and made me into the best version of myself."

"As a class of 1990 alumna and parent of a current student and recent graduate, I support Archbishop Carroll High School and encourage others to do the same because the faculty and staff are unparalleled in preparing students for their future. Through not only rigorous academics but also instilling faith, leadership and core values as a part of the curriculum, students graduate with a strong foundation that will serve them well over a lifetime. I continue to reap those benefits nearly 35 years later, and I know the same will hold true for my kids and all future Patriots!!"

"Each day at Carroll, our faculty, staff and students strive to help each other discover the gifts and talents that enable us to do our unique part in creating God's world. As a science teacher, academic mentor and coach, I have witnessed the beginning of outstanding careers in scientific research, medicine and engineering. And as a family room teacher, I have seen students develop empathy towards each other, grow into leadership positions, and develop some of the most unlikely friendships. This is why Carroll is worth supporting."

Earn a dollar-for-dollar tax credit on Ohio income taxes when you give to Archbishop Carroll High School

The State of Ohio has passed a bill that allows a tax credit for qualified donations to a certified Scholarship Granting Organization (SGO). Ohio taxpayers who donate to SGOs may be able to claim a dollar-for-dollar, non-refundable tax credit on their Ohio income tax return for up to \$750 per donor or up to \$1,500 if married and filing jointly.

How can I give to Carroll through this program?

Make your gift through the Archdiocese of Cincinnati's Catholic Education Foundation (CEF), a certified SGO with the State of Ohio. Designate Archbishop Carroll High School as your school of choice to ensure that your entire gift is directed to our school. You can make your gift online or through sending a check attached to a mail-in form.

How do I claim the credit on my tax return?

Shortly after your gift has been received and processed, the CEF-SGO will mail a gift acknowledgement letter to you. This letter can serve as documentation for a non-refundable Ohio income tax credit (up to \$750 per donor across all SGO donations for the tax year) when you prepare your Ohio income tax return.

What else should I know about this program?

Everyone's tax situation is different, and we encourage you to check with your tax preparation professional to determine if this is the best way for you to make a gift and help offset your state and federal tax liabilities. Contact Archbishop Carroll High School Director of Advancement Pete Williams '98 if you have questions about how donating to Carroll through the CEF-SGO will affect your current annual giving.

OR PRINT THE MAIL-IN FORM**

MATCHING GIFTS

Many businesses and corporations will match the amount of a donation from one of their employees or retired employees, increasing the value of the gift dramatically. The companies listed here matched the donation to Archbishop Carroll High School received from alumni, parents, parents of alumni, or friends. Please check with your employer to see if your company, like the companies identified below, will match your donations either in cash or gifts in kind.

DID YOU KNOW THAT 9 OUT OF 10 COMPANIES OFFER A MATCHING GIFT PROGRAM?

Annually an estimated \$2-3 billion is donated through matching gift programs. Corporate matches of employee donations are 12% of total corporate cash contributions. An estimated \$6-\$10 billion in matching gift funds goes unclaimed per year. To help Carroll donors maximize the impact of their generosity, we partner with a service provider to make it convenient to find and process your company match to DOUBLE THE IMPACT of your generosity. **You can find more details about matching gifts from your employer's personnel office or go to www.carrollhs.org/giving/givetoday.cfm.**

"Our class jumped into our classes, met our teachers, and made new friends! We quickly got used to the cafeteria food, all while we were scared to death starting this new beginning as young teenagers. We had the best marching and pep bands with great musicians who all supported our sporting teams! Near and dear to my heart, we went 8-2 our senior year on the football field, only missing the playoffs by a few percentage points. Where has the time gone? CHS needs our support today!"

"Looking back on my Catholic education, I realize how it greatly benefited and blessed me, both as a student and a young person growing up. The education that students receive at Archbishop Carroll High School sets a precedent for high achievement. Carroll's community is second to none. Faculty, staff, students, and their families care deeply about Carroll's success. I witness the positive impact that Carroll has on students every day, and I have seen the outstanding success of Carroll alumni. As an alumna, I support Carroll because I know these students can and will achieve great things in life. Please join me in supporting our Carroll Patriots!"

"Carroll guided me through personal, academic, and spiritual growth that laid the foundation for my life today. I so clearly remember days debating in class, talking with friends, singing in mass choir, participating in retreats, and laughing during drama club rehearsals. It is astonishing to think it has already been five years since our COVID-19-inflicted graduation. My education more than prepared me for challenging college classes and equipped me with the work ethic I needed to graduate early. Carroll offers such a supportive, friendly, faith-filled environment for students to grow and discover themselves. I will always be thankful for the many memories and skills I gained there, and I am proud to continue to call Carroll home."

"We were blessed and honored to graduate from Carroll High School in 2010. Carroll provided us with college prep classes that helped us further our education at Bowling Green State University. It also provided an environment that was able to help grow our faith while learning. Carroll is where we began dating, and we recently celebrated our 10th wedding anniversary this summer."
