# MESSAGE from the Director of Advancement

Fellow Patriots,

Each school year tells a story of faith, perseverance, and generosity, and this past year was no exception. I am once again filled with gratitude for the extraordinary generosity and unwavering commitment of the Archbishop Carroll community. During the past year, 2,298 donors chose to invest in our students and our mission, strengthening the Patriot Spirit and reaffirming the values that have defined Archbishop Carroll for generations. Every gift, regardless of size, represents a vote of confidence in our school and a shared commitment to providing an exceptional Catholic education for current and future Patriots. Because of that remarkable generosity, I am proud to share that we achieved historic milestones in philanthropy this year. For the third consecutive year, the Patriot Fund surpassed the $500,000 mark, while total charitable giving reached a record-breaking $1.37 million.

These accomplishments reflect not only the incredible dedication of our alumni, parents, grandparents, faculty, staff, and friends, but also the growing momentum behind Archbishop Carroll's mission. The impact of these gifts will be felt across our campus for years to come, allowing us to invest in academic excellence, strengthen student programs, enhance campus facilities, provide opportunities for our faculty and staff, and ensure that every student has the resources needed to thrive. On behalf of Archbishop Carroll High School, thank you for believing in our mission and partnering with us to shape the next generation of Patriots. Your generosity is transforming lives today while ensuring that the Patriot legacy remains strong for generations to come.

## BECAUSE OF YOU

» Expanded access to a Carroll education by providing hundreds of tuition assistance awards and funding 110 merit-based scholarships for deserving students.

» Strengthened our exceptional faculty and staff by offering competitive salaries that helped recruit six new teachers and retain outstanding educators and professionals.

» Enhanced the student experience by expanding cultural, social, leadership, and extracurricular opportunities that foster growth beyond the classroom.

» Secured a record-breaking $1.37 million in philanthropic support during the 2025–2026 school year from 2,298 alumni, parents, students, and friends, including gifts from 521 current students.

With the continued support of our generous community, the future of Archbishop Carroll High School has never been brighter. With hearts full of gratitude, I thank each of you for your part in this year's success. You are the reason Carroll continues to flourish.

# MISSION AND PHILOSOPHY

## MISSION

Archbishop Carroll High School is a welcoming Catholic community intentional in the holistic formation of its students for a life of virtue, academic excellence, and service to the common good.

## PHILOSOPHY OF EDUCATION FOR ARCHBISHOP CARROLL HIGH SCHOOL

Archbishop Carroll High School is a Catholic, coeducational school located in the Archdiocese of Cincinnati. Influenced by the leadership and patriotism of the school's namesake, Archbishop John Carroll, competent and caring educators intentionally form a Catholic community with one another and with the young men and women they teach. Within this value system of Catholic beliefs, the educational process unfolds.

The community of Carroll strives to develop each student intellectually, physically, and spiritually. By providing a quality education, involving students in a variety of learning experiences, and fostering the ability to make responsible choices, we prepare students to meet their own needs and those of the society in which they live. To this end, Carroll provides a broad spectrum of course offerings, academic and spiritual guidance, and numerous opportunities for student development through service-oriented projects. Educators in our school promote total growth of students not only by what they teach but also by who they are. This role modeling, coupled with instructional excellence, is the heart of Carroll's program. Working in partnership with parents and community, we as a school, will endeavor to prepare students to be followers of Christ and seekers of knowledge.

*Charity unites us to God...There is nothing mean in charity, nothing arrogant. Charity knows no schism, does not rebel, does all things in concord. In charity all the elect of God have been made perfect.*

*– Pope St. Clement I*

# CARROLL PATRIOT FUND

Thanks for your support of the 2025-2026 Carroll Patriot Fund and for your response to solicitation mailings, personal calls, social media pleas, Giving Day messages, and email appeals conducted to help fund the general operating budget of Archbishop Carroll High School. Of the **$540,050** received this fiscal year for the Carroll Patriot Fund, **$373,094** was unrestricted, used wherever most needed. Unrestricted funds are crucial to help pay teachers' salaries, maintain excellent academic and extracurricular programs, pay utilities and facility needs, and assist with tuition assistance. This ongoing support is key to the continuing operation of Archbishop Carroll High School, giving us the ability to offer the finest education possible to each and every student. The actual cost of education is approximately $16,000 for one school year; tuition covers approximately 84% of that cost. Unrestricted support from the Carroll Patriot Fund makes up that difference.

# FOUNDATION FOR THE FUTURE CAPITAL CAMPAIGN VS. CARROLL PATRIOT FUND

# *WHAT IS THE DIFFERENCE?*

Think of Archbishop Carroll High School as a large investment, like buying a house. You have to make payments on your mortgage, but you also need to pay to keep the lights on. In the world of fundraising, capital campaigns & endowments are like the long-term investment of mortgage payments, while the annual fund (known as the Carroll Patriot Fund) is like the immediate need to pay the utility bills.

## ONE GREAT DAY OF GIVING RECAP

THANK YOU for helping to make October 16, 2025 **One Great Day** for Archbishop Carroll High School! Our entire community of alumni, faculty, staff, current parents, and even current students gave in overwhelming numbers in an attempt to double the impact of their gift to Carroll. Together we united in Patriot Pride and raised a total of **$501,978**! The Class of 1980 was the top class in all categories for this One Great Day of Giving! Their number of donors was 27, their percentage participation was 12.9%, and their total giving was $58,552!

**SAVE THE DATE:**
**OCTOBER 15, 2026**
**One Great Day of Giving**

## KEEPING THE PATRIOT PROMISE

Archbishop Carroll High School remains committed to providing the best Catholic education at a reasonable cost. The Patriot Promise Tuition Assistance Fund is a portion of the Carroll Patriot Fund designated to help meet tuition affordability challenges. Thank you to those who responded to this plea and helped raise **$166,956** for students in need.

# FOUNDATION FOR THE FUTURE CAPITAL CAMPAIGN

An Archbishop Carroll High School education is a timeless gift, passed from one generation to the next. For more than six decades, Carroll has given thousands of young men and women a strong foundation to answer God's call to be more and do more. This legacy of excellence has been sustained by the steadfast faith, loyalty, and generosity of parents, vowed religious, faculty, alumni, volunteers, and friends since our doors first opened in 1961. Today, our love for Carroll is stronger than ever, yet our facilities face a greater need for renewal than at any point in our history. With more than $10 million already raised, we have made remarkable progress. Additional support remains essential to modernize our campus and preserve the exceptional Catholic education that defines the Patriot experience. Thanks to our generous lead donors, transformational projects are already complete: the chapel has been restored as the spiritual heart of campus; the stadium has been revitalized with grand entry way plaza, new field surface, track, press box, lights, and bleachers; and a state-of-the-art science center has opened alongside six renovated STEM laboratories. Each improvement has enhanced student learning, strengthened our community, and renewed our shared mission. We are deeply grateful to every supporter who has made this progress possible, and we look forward to building Carroll's brightest next chapter together.

*"It has been 60 years since I walked the halls of Carroll as a student, but one thing remains the same today as it did in 1966. The faith-centered, first-rate education one receives at Archbishop Carroll High School is a springboard for successful adult lives. It is with this in mind that I monetarily support the Carroll Patriot Fund. The support of the Patriot Fund fills the gap left between affordable tuition, general maintenance, and even competitive teacher salaries. Our donations help keep the lights on!"*

*"Carroll HS was the best place for me to be educated. My teachers challenged me to continually strive to become the best person God plans me to be. I learned to manage my time. I learned self-discipline. Exposure to Catholic values was an integral part of my daily life as a student. I did not realize it at the time, but I was well-prepared for the next step of my life, which was college. I felt so good about the place that I sent my own children there! I continue to support Carroll because I want others to have the same great opportunities to grow in their faith, grow in knowledge, and be prepared to meet the challenges of the world."*

*"For decades, Archbishop Carroll has been my professional home. During my years as band director, I had the privilege of watching students grow in confidence, discipline, and leadership while forming friendships that truly last a lifetime. Now, in my role in the Advancement Department, I have the opportunity to build on those relationships with our alumni, families, and supporters. Seeing the lifelong impact of a Carroll education from this new perspective has only deepened my appreciation for this community. I am proud to continue supporting the mission of Archbishop Carroll through the Patriot Fund."*

*"As we approach our reunion, I am reminded how Carroll not only prepared me for college but for life. It provided me with the ability to make sound decisions and walk into college with a foundation that made me successful. It gave me friends, not only for those 4 years but for life. Friends to this day that will be there through the good, the bad, and the challenging. High school is more than lessons in books–it's a journey of becoming, a time when you begin to shape who you are. In honor of our 35-year reunion, join me in giving back. Let's make Matt proud and show him what the Class of 1991 is made of!"*

*"When we think about what Carroll High School means to us, we think that we received more than an education; we received a foundation. The academic rigor prepared us for the challenges of college and our careers. The friends we made walking the hallways are still the people we count on most. In addition, the values it instilled are the reason we are so proud to give back our time, talent, and treasure to this day."*

*"We're still early in our high school journey, but we've already seen incredible growth in our daughter, Addison. She came to Carroll after moving from Cleveland, unsure of what to expect. What she found was a community that welcomed her with open arms and helped her feel at home from the very beginning. It's clear that Carroll focuses on the whole person. What stands out to us most is how faith, kindness, and excellence are woven into everything here. From the House System that gives students a sense of belonging, to the coaches and faculty who model leadership and compassion, Addison is surrounded by people who want to see her grow, not just into a great student or athlete, but into a kind and confident young woman. We feel incredibly grateful to be part of this community. And we know that experiences like Addison's are only possible because of the generosity of those who support the Carroll Patriot Fund. This fund helps make a Carroll education more affordable and accessible for all families, ensuring that every Patriot has the opportunity to thrive."*

*"Coaching soccer at my old high school feels like coming full circle. I am able to give back to the school and the program that helped shape who I am. It's very rewarding coaching and helping players who are walking the same halls and playing on the same field I once did. Carroll helped me become the person I am, and I want to be able to give the high schoolers the same amazing experience I had at Carroll."*

*"We began our high school journey in August 2012. We came from local Catholic grade schools, nervous about starting something new but quickly surrounded by friends, teachers, and a community that felt like family. We learned together, grew in our faith, discovered new talents in athletics and the arts, and built the kind of friendships that last a lifetime. As sisters and military kids, we couldn't have asked for a better education to prepare us for life as young professionals. Between academics, athletics, friendship, and faith, our time at Carroll gave us the skills we needed to achieve anything we set our minds to."*

*~Lauren and Heather Young: Carroll Class of 2016*

# ALUMNI GIVING

A gift from a graduate speaks to the future of Archbishop Carroll High School. It portrays the preparation alumni received and their desire to ensure current students have the same experiences. We are grateful to the following for investing in the mission of our alma mater and we invite all graduates to join them in creating an environment of excellence in Catholic education.

*"My class is celebrating the 50th anniversary of our graduation from Carroll High School this year. We have all moved on to success in our various careers and vocations, given birth to children, celebrated the birth of grandchildren, and grieved the loss of parents, siblings, friends, and some classmates. Many of us look back on those years at Carroll with fondness, respect, and gratitude for the sacrifices of our parents to attend the best high school in Dayton. We built the academic, social, and spiritual foundation for our adult lives during our four years at Carroll, ably assisted by faculty, staff, classmates, and friends. In the past 50 years, Carroll has survived and thrived. But the school and its students need your help. We hope that you will consider helping the next generation of students at Carroll lay the foundations for their academic, social, and spiritual growth."*

*"As a family, we are incredibly grateful to be part of the Carroll community, especially as our oldest daughter recently completed her high school journey and our youngest daughter joins the school as a freshman. Our family has always embraced the opportunity to serve and give back. As parent coaches in the Spirit and youth program, we have had the privilege of helping guide younger students. Coaching has allowed us to share not only our love for sports but also the importance of teamwork, discipline, and service-values that align deeply with our Catholic faith. We believe in the power of active participation and service as expressions of our faith, and we look forward to contributing to the school in the years to come."*

*"Having the opportunity to go to Carroll is one that I am incredibly grateful for. Carroll has provided me with a supportive community, an amazing education, and the opportunity to contribute to a culture that is one of support and understanding. In addition to this, I have been shown immense generosity by the Carroll community in the form of scholarships. This generoristy has inspired me to work hard in the hope that I will be able to give back to this community that has given so much to me. I am truly grateful for the support that I have recieved during my time at Carroll because it has allowed me to grow throughout my four years here, and feel prepared for what my future has in store."*

# PARENTS OF ALUMNI

The continuing commitment made to Archbishop Carroll High School each year by the families of our alumni is greatly appreciated. *"Carroll High School provided me with a strong educational base that allowed me to excel in a highly technical electrical engineering career for over 38 years spanning areas from aircraft modification to facility design, construction, and sustainment. The binding of Carroll religious education and strong sense of community provided me with a strong moral compass to be a leader of people throughout my adult life. These values have transcended time by providing the same for my son and twin grandkids. I benefited immensely from my time at Carroll and have watched those same values propel my family into the next phases of their lives. I remain engaged with the Carroll community to give back to a school that taught me to learn and to treat all people with compassion, care, patience, and understanding."*

*"We are not native Ohioans like many people at Carroll. Our professions relocated us to Dayton 20 years ago, and our children began attending St. Luke School for elementary school. Without any hesitation or thought, we continued their education at Carroll. Carroll's faculty and staff are unparalleled in preparing students for their success in life not only through rigorous academics, but also in instilling faith to be community-oriented and to live out the Gospel message. Leadership and partnership skills are instilled through the House System. Furthermore, a sense of community is fostered through strong performing arts, band, athletics, and numerous clubs. Join us in giving thanks to a community that has made a tremendous impact on our children."*

*"Being a Carroll Patriot like my mom before me has been an amazing experience for me. I knew I would love this school after just the freshman orientation. The teachers and staff members truly wanted me to be the best version of myself and I had supportive classmates throughout all 4 years. Being a Carroll Patriot to me means being supportive, showing love to others, and always helping others by being the better person. Looking ahead to college, I am so blessed to have attended Carroll because I have been prepared and I feel confident for my future."*

# FRIENDS

Archbishop Carroll High School is grateful to the many businesses, foundations and "friends" who have come to Carroll as neighbors or extended family, connecting with a student or believing in Catholic education. We are so grateful for their presence in our community and support of our mission.

## Earn a dollar-for-dollar tax credit on Ohio income taxes when you give to Archbishop Carroll High School

The State of Ohio has passed a bill that allows a tax credit for qualified donations to a certified Scholarship Granting Organization (SGO). Ohio taxpayers who donate to SGOs may be able to claim a dollar-for-dollar, non-refundable tax credit on their Ohio income tax return for up to $750 per donor or up to $1,500 if married and filing jointly.

## How can I give to Carroll through this program?

Make your gift through the Archdiocese of Cincinnati's Catholic Education Foundation (CEF), a certified SGO with the State of Ohio. Designate Archbishop Carroll High School as your school of choice to ensure that your entire gift is directed to our school. You can make your gift online or through sending a check attached to a mail-in form.

## How do I claim the credit on my tax return?

Shortly after your gift has been received and processed, the CEF-SGO will mail a gift acknowledgement letter to you. This letter can serve as documentation for a non-refundable Ohio income tax credit (up to $750 per donor across all SGO donations for the tax year) when you prepare your Ohio income tax return.

## What else should I know about this program?

Everyone's tax situation is different, and we encourage you to check with your tax preparation professional to determine if this is the best way for you to make a gift and help offset your state and federal tax liabilities. Contact Archbishop Carroll High School Director of Advancement Pete Williams '98 if you have questions about how donating to Carroll through the CEF-SGO will affect your current annual giving.

**SCAN HERE TO GIVE ONLINE**
**OR PRINT THE MAIL-IN FORM**

# MATCHING GIFTS

Many businesses and corporations will match the amount of a donation from one of their employees or retired employees, increasing the value of the gift dramatically. The companies listed here matched the donation to Archbishop Carroll High School received from alumni, parents, parents of alumni, or friends. Please check with your employer to see if your company, like the companies identified below, will match your donations either in cash or gifts in kind.

## DID YOU KNOW THAT 9 OUT OF 10 COMPANIES OFFER A MATCHING GIFT PROGRAM?

Annually an estimated $2-3 billion is donated through matching gift programs. Corporate matches of employee donations are 12% of total corporate cash contributions. An estimated $6-$10 billion in matching gift funds goes unclaimed per year. To help Carroll donors maximize the impact of their generosity, we partner with a service provider to make it convenient to find and process your company match to DOUBLE THE IMPACT of your generosity. **You can find more details about matching gifts from your employer's personnel office or go to www.carrollhs.org/giving/givetoday.cfm.**

*"When reminiscing about my time at Carroll High School, I am reminded of all the special memories and relationships that were made. Some of those relationships with friends and faculty I still share to this day. When looking at where I am today, I can honestly say my parents' decision to enroll my sister and I at Carroll had the biggest impact on both our lives. Carroll's academic excellence and Christian values provided the foundation to help me navigate not only my personal life but my professional career. While Carroll no longer serves Crispitos, Yokies, and Chilly Willies for lunch, some things still remain the same. Carroll's commitment to building an environment that nourishes faith, leadership, and growth continues to shape the lives of current students today."*

*"Looking back, it's hard to believe how four years have given way to four decades of memorable life events and milestones! For me, Carroll was a link to community and service. I fondly remember celebrating school mass in the gymnasium, singing the Alma Mater after every football game – win or lose, and the annual ritual of going door-to-door to sell subs, poinsettias, or raffle tickets just to avoid wearing a tie! What stands out most from my time at Carroll, is the unwavering support and encouragement of our faculty. Whether as teachers, coaches, advisors, or club moderators, they were fully committed to our development both inside and outside the classroom. Their example of service-based leadership inspired in me the values of commitment, dedication, and selfless teamwork—values that continue to guide me today."*

*"If you know our family, you also know that our Carroll freshman and junior are two very different children. Despite their differences, each has found their place at Archbishop Carroll High School. We recognize something special at Carroll, where families are united in desiring a high-quality education and faith-driven high school experience for their children. This collective effort plays a major role in encouraging parents and students alike to volunteer their time, talents and treasure, allowing Carroll to offer a vast array of academic, arts, athletic, leadership, religious, social, travel, and volunteer opportunities that prepare students for the world beyond Carroll. Now is our time to give back to this community in time, financial investment and in faith to help Carroll flourish for generations to come."*

*"When I reflect on what I enjoyed most about Carroll, I remember finding a sense of belonging and purpose during my years there. Giving back to Carroll as an alum helps equip staff and faculty to nurture a sense of community and belonging in current students that is visible to anyone who enters the hallways today. Our donations also help update facilities and curriculum to give current students better opportunities to prepare them for their futures."*
