## MESSAGE from the Director of Advancement

Fellow Patriots,

Another year has come and gone, and again, I am overwhelmed by the generosity of so many. Carroll is a unique community with families from literally all over the globe, from varied academic environments, socioeconomic backgrounds, and many faiths. Yet, we all come together with one purpose-to grow young men and women into people of faith who are able to meet their own needs and are willing to help the society in which they live.

### WE ARE MANY FACES, ONE FAMILY!

2016-2017 was a year of great achievements that could not have been made possible without generous support for the Carroll Patriot Fund.

### Because of You

- » We successfully completed the inaugural year of the House System.
- » We provided much-needed financial assistance for 325 students through your gifts of financial assistance and 171 students were recipients of a merit based scholarship.
- » We were able to foster a challenging academic environment and prepared 5 National Merit Scholars.
- » We upgraded the plumbing and replaced fixtures in the boys' bathrooms.
- » We improved campus life by supporting cultural, social, and leadership opportunities for students.
- » We were able to provide four new scholarships to retain the best students in the arts and Catholic leadership.
- » We provided much needed central air conditioning in the main gymnasium.
- » We secured more than \$400,000 from alumni and friends in 2016.

**For all that you do in support of our students ... we thank you!**

All my best,

Pam (Staton) Tipps '91

# MISSION AND PHILOSOPHY

**Carroll High School is a Catholic, coeducational school in which competent, caring educators form a Christian community with one another and with the young men and women they teach.**

Within Carroll, there is a sense of commitment to a values system based on Catholic beliefs, and in this environment the educational process unfolds.

Our mission is to enhance the total growth of students. Emphasis is placed on providing quality education, involving students in a variety of learning experiences and in fostering the ability to make responsible choices. Our goal is to prepare students to meet their own needs and to meet those of the society in which they live. To this end, Carroll High School provides a broad spectrum of course offerings, academic and spiritual guidance services, and numerous opportunities for student development and enrichment. Educators in our school promote total growth of students as much by whom they are as by what they teach. It is this role modeling, coupled with instructional excellence, that is the heart of Carroll's program.

In view of the demands of the twenty-first century, Carroll High School prepares its young men and women to meet the challenges of the future. Our graduates will take their place in tomorrow's world as responsible citizens. It is our hope that they be open to others and be able to think critically, to solve problems creatively and to live compassionately.

# CARROLL PATRIOT FUND

Thanks to all for your generosity towards the 2016-2017 Carroll Patriot Fund and for your response to solicitation mailings, Phonathon calls, and all annual appeals conducted to help fund the general operating budget of Carroll High School. Of the \$259,173 received this fiscal year for the Carroll Patriot Fund, \$163,587 was unrestricted, used wherever most needed. Unrestricted funds are crucial to help pay teachers' salaries, maintain excellent academic and extracurricular programs, pay utilities and facility needs, and assist with tuition assistance. This ongoing support is key to the continuing operation of Carroll High School, giving us the ability to offer the finest education possible to each and every student. The actual cost of education is approximately \$11,000 for one school year; tuition covers 77% of that cost. Unrestricted support from the Carroll Patriot Fund makes up that difference.

"After considering all of the area Catholic high schools for our sons, we feel good about our choice. The teachers truly want to see every student, regardless of ability, to succeed. Carroll sees beyond the child's academic success. Carroll sees the formation of a person of God here to love and serve - building character along with academics. The Patriot Fund has helped our family invest in our children's faith-based education."

"We're thankful for the families and the faculty who believed in the school in its early days, we're thankful for the academic excellence for which Carroll is known, we're thankful for so very many good people who make Carroll a community in which students are able to discover and grow their gifts and talents, and perhaps most of all, we're thankful for the countless opportunities and blessings Carroll has given us and our family."

"At Carroll, we found a close knit school with families from all over that shared in our commitment to high academic standards, as well as a school where our children could continue their religious education. Carroll offers many clubs and activities that encourage the entire student body to be involved and accountable as they prepare themselves for higher education. The Patriot Fund afforded us the chance to give our children an opportunity to be taught by caring educators that have a commitment to excellence."

"During my first year in college at Marquette University in 1967, I began appreciating how well Carroll had prepared me. Among the 40 guys on my dorm wing that first semester, the average GPA was 1.9, while mine was 3.6. The difference was my preparation. An English major, I started my career as a high school English teacher, inspired by both Sr. Marie Christopher and Mr. Hemmert, my English teachers at Carroll."

"We value Carroll's Catholic, faith-filled education for our son; the dedication of the teachers and staff; the House system's sense of community and belonging; and the core values taught, practiced and honored. These attributes consistently produce reliable, resourceful and responsible young adults who are prepared to share these gifts with whomever they encounter. Our family knows this from experience (Shawn '82, Sheila '82, Jeanine '78, and Steve '77)."

"I choose to support the Carroll Patriot Fund as a small gesture of gratitude and appreciation for the important role Catholic education has played in my life - educationally, spiritually, and socially. Carroll provided me a high-quality education that prepared me well for college and beyond. Additionally, Carroll provided me a strong spiritual foundation that strengthened my understanding and relationship with God. I hope my small gesture of support can assist in providing similar experiences for future generations of Patriots"

Mr. Zachary R. Westgerdes '18

"My parents, like most of our parents, made financial sacrifices to put us through Carroll and any amount we can contribute as alumni will help current and future students receive an outstanding education while surrounding these individuals with teachers, coaches, friends, and classmates who will offer them a safe environment where they can develop and flourish through these impressive high school years."

Jeff Kellerman '92

"High school is a unique and formative time, and my Carroll education played a huge role in shaping the person I am today. I made great friends and memories, learned the importance of serving others, became more involved in my community, and even discovered my future career path. I give back to the Carroll Patriot Fund because it's something that I truly benefited from, and I want others to be able to do the same."

Taylor O'Neil '12

"I am so fortunate for my Carroll education and strong foundation I received, for the experiences provided to me and for the wonderful memories I made. I give an annual contribution as a show of support for all the good work that the faculty, staff and students continue to do; my financial contribution is the least I can do to show my gratitude."

Andrea Siefring-Robbins '97

"I support the Carroll Patriot Fund because I know what Carroll afforded me during my time as a student. Looking back, I knew I was highly involved in many different school-funded activities; however, I didn't realize what sort of resources are needed to fund those. Without those experiences I wouldn't be who I am today."

Dan Prindle '07

**CURRENT PARENTS:** We remain grateful to our current parents who actively support the mission of Carroll High School. In addition to fulfilling their tuition obligation, many volunteer for activities and events. We appreciate their constant support and generosity and thank them for their greatest gift to Carroll High School...their sons and daughters.

“Lynda and I are proud to be supporters of the Carroll Patriot Fund. Several years ago, we made our annual donation a priority as a way for us to ‘pay it forward.’ Carroll High School did so much to prepare us for college, our first jobs, our roles as parents, and the importance of being a contributing member of a community...and we have carried these lessons and values with us as we moved through our careers and in our lives. In fact, thanks to Carroll High School, we just celebrated our 40th anniversary, have three wonderful children, three beautiful grandchildren, and the most wonderful life together!”

“My husband, Frank '81, and I, as well as our four children, experienced an outstanding education at Carroll. The Carroll Community provides an environment of strong Catholic values and beliefs, academic excellence, and numerous extracurricular and athletic possibilities. There are multiple opportunities for every student to succeed. Any child should have the opportunity to become a PATRIOT for life!”  
**Maureen (Murray) Hemmert '82; Parent of Nick '11, Nathaniel '13, Patrick '15, and Meg '17**

“Carroll teachers have prepared me for the future. They push us to work hard in and out of the classroom and they expect us to give 100% and nothing less in everything we do, teaching us to appreciate what we accomplish. I will be attending Wright State University, majoring in finance and aspiring to become a successful private wealth advisor, helping others to achieve their dreams.”

*David Mead '17*

“I will forever be a Patriot! Carroll has given me the greatest memories of my life and has taught me time management and how to work with all kinds of people. I plan on attending Ohio Dominican University, majoring in Educational Studies, and then earning my Master's Degree in Outdoor Education in order to become a 4-H Program Planner.”

*Amanda Perkins '17*

“I contribute to the Carroll Patriot Fund because Carroll High School, like my family home, is ‘the house that built me.’ It has been my second home for over 40 years. CHS is a place we can come back to, a place to reminisce about, a place where we feel safe; a place we can root for. Truly, there’s no place like Carroll High School - the HOME of the Patriots!”

*Chris Heider '77; Former Carroll Coach/Teacher; Parent of Zachary '06, Ben '08 and Caroline '11*

**PARENTS OF ALUMNI:** The continuing commitment made to Carroll High School each year by the families of our alumni is greatly appreciated. This past year the school was beneficiary of support from both parents of recent graduates, as well as from families whose association with CHS began decades ago. Thank you for helping Carroll maintain our standards of excellence.

## CARROLL St. PAT'S Fest

FRIDAY IRISH FISH FRY 🍀 SATURDAY FUN FOR ALL

# MARCH 9-10, 2018

We have great news to share! Students, parents, alumni, and friends of the Carroll community will be excited to hear that a new cooling system was placed in the main gymnasium over the summer. Special thanks to the Carroll High School Boosters, Alumni Association, Carrolleers, and all those who supported the Carroll St. Pat's Fest for the past two years! **Because of your generosity, it will be much cooler in the gym this school year!**
