Fellow Patriots,

This year, perhaps more than any other year, the compassion and perseverance displayed by the Carroll Family was awe-inspiring. In the face of such uncertainty in the world around us, Carroll High School remained a beacon of light and a source of strength for so many, and we have each of our 2,029 donors to thank. This Patriot Spirit was on full display during our Day of Giving in October as strongly as it was in the spring with The Patriot Promise Tuition Assistance Fund Drive, all during a global pandemic. Thanks to your selflessness and sacrifice, 2020-2021 saw many great achievements that could not have been made possible without your generous support for Carroll High School.

BECAUSE OF YOU

- » Our students will grow their STEM knowledge in the new state-of-the-art Dr. David M. Austria Science Lab and Dr. William Moddeman Science Lab on the first floor.
- » A grand entryway plaza in front of our stadium, named in memory of former Carroll Parent, Francie Kowal, will welcome students back this fall and feature a marble statue of The Virgin Mary from Rome, Italy.
- » A new state-of-the-art touchscreen kiosk installed in the main gym lobby will celebrate the Distinguished Alumni and Athletic Hall of Fame Inductees.
- » The main gym entrance and lobby transformed into a modern and vibrant space will celebrate our students and create a more inviting space for all to gather and cheer on our athletes.
- » Vital infrastructure upgrades made on campus will stage future phases of our capital campaign.
- » Much-needed financial assistance was provided through more than 414 gifts of tuition assistance and 173 merit-based scholarships.
- » Five new quality faculty were added, and staff members were retained by offering a competitive salary.
- » The capacity of our wi-fi network was expanded with a new fiber line into our stadium, adding a crucial aspect of learning & connectivity in the modern world.
- » Campus life was improved by providing cultural, social, and leadership opportunities for students.
- » Students were provided with a safe campus environment during COVID-19 uncertainties, and those quarantined or learning virtually at home were provided real-time technology and necessary educational resources.
- » More than \$950,000 was secured during the 2020-2021 school year from 2,029 alumni and friends, including 470 current students, surpassing last year's record of donors.
- » The future of Carroll High School looks great!

With Voices Ringing, In a Pledge of Loyalty...HAIL CARROLL!

MISSION AND PHILOSOPHY

MISSION

Carroll High School is a welcoming Catholic community intentional in the holistic formation of its students for a life of virtue, academic excellence, and service to the common good.

PHILOSOPHY OF EDUCATION FOR CARROLL HIGH SCHOOL

Carroll High School is a Catholic, coeducational school located in the Archdiocese of Cincinnati. Influenced by the leadership and patriotism of the school's namesake, Archbishop John Carroll, competent and caring educators intentionally form a Catholic community with one another and with the young men and women they teach. Within this value system of Catholic beliefs, the educational process unfolds.

The community of Carroll strives to develop each student intellectually, physically, and spiritually. By providing a quality education, involving students in a variety of learning experiences, and fostering the ability to make responsible choices, we prepare students to meet their own needs and those of the society in which they live. To this end, Carroll High School provides a broad spectrum of course offerings, academic and spiritual guidance, and numerous opportunities for student development through service-oriented projects. Educators in our school promote total growth of students not only by what they teach but also by who they are. This role modeling, coupled with instructional excellence, is the heart of Carroll's program. Working in partnership with parents and community, we as a school, will endeavor to prepare students to be followers of Christ and seekers of knowledge.

CARROLL PATRIOT FUND

Thanks for your support of the 2020-2021 Carroll Patriot Fund and for your response to solicitation mailings, personal calls, social media pleas, Giving Day messages, and email appeals conducted to help fund the general operating budget of Carroll High School. Of the **\$297,657** received this fiscal year for the Carroll Patriot Fund, **\$239,241** was unrestricted, used wherever most needed. Unrestricted funds are crucial to help pay teachers' salaries, maintain excellent academic and extracurricular programs, pay utilities and facility needs, and assist with tuition assistance. This ongoing support is key to the continuing operation of Carroll High School, giving us the ability to offer the finest education possible to each and every student. The actual cost of education is approximately \$12,500 for one school year; tuition covers 80% of that cost. Unrestricted support from the Carroll Patriot Fund makes up that difference.

FOUNDATION FOR THE FUTURE CAPITAL CAMPAIGN VS. CARROLL PATRIOT FUND

WHAT IS THE DIFFERENCE?

Think of Carroll High School as a large investment, like buying a house. You have to make payments on your mortgage, but you also need to pay to keep the lights on. In the world of fundraising, capital campaigns & endowments are like the long-term investment of mortgage payments, while the annual fund (known as the Carroll Patriot Fund) is like the immediate need to pay the utility bills.

CAPITAL CAMPAIGN & ENDOWMENT		ANNUAL FUND	
Savings Account	Needs to Increase with the Growth of the School 	Checking Account	Expenses not covered by Student Tuition
Investment		Every Year	
FOUNDATION FOR THE FUTURE		IMMEDIATE NEEDS	
Long-term	Stability during times of recession	Short term	ACCESSIBLE
BUFFER		Small gifts making a large impact	Available to use
Lasting Security			REOCCURRING

ONE GREAT DAY OF GIVING RECAP

THANK YOU for helping to make October 15, 2020 One Great Day for Carroll High School! Our entire community of alumni, faculty, staff, current parents, and even current students gave in overwhelming numbers in an attempt to double the impact of their gift to Carroll High School. Together we united in Patriot Pride and raised a total of **\$386,904!** This included 88 first-time donors! The Class of 1966 was the top class in participation and the Class of 1987 was the top class in giving amount.

SAVE THE DATE: OCTOBER 21, 2021

One Great Day of Giving

KEEPING THE PATRIOT PROMISE AMIDST UNCERTAINTY

Carroll High School remains committed to easing the anxiety within our families to ensure that among the sacrifices parents might need to make, their children's Catholic education is not one of them. The Patriot Promise Tuition Assistance Fund is a portion of the Carroll Patriot Fund designated to help meet these challenges. Thank you to those who responded to this emergency plea and helped raise **\$58,416** for students in need during these uncertain times.

FOUNDATION FOR THE FUTURE CAPITAL CAMPAIGN

A Carroll High School education is truly a gift from one generation to another. For 60 years, Carroll has laid the foundation for thousands of young men and women to answer the call to be more and do more. This foundation would not be possible without the thousands of parents, vowed religious faculty, educators, and dedicated alumni and volunteers who have shown tremendous generosity and unwavering loyalty to Carroll since it opened in 1961. While the Patriot community's love for Carroll has not faded with time, our facilities have never been in greater need of renovation. Over \$5 million has been raised so far, but more help is needed to modernize our campus so that we can continue providing an excellent Catholic education that inspires every Patriot to answer God's call. The 2020-2021 donations towards the Foundation for the Future Capital Campaign brought about two newly renovated state of the art science labs on the first floor to complement the Miller Family Science Center that we welcomed in the summer of 2020, along with a beautiful plaza at the entryway of the stadium to go along with the artificial field turf, new track, and stadium lights that we welcomed in the summer of 2019. Next in the plans is to keep focusing on our award-winning science program and renovate the remaining first floor science labs! Thank you to the generous lead donors who made this campaign possible.

"I make my annual contribution to Carroll a priority. My family is now in our third generation of Carroll Patriots. I've watched three siblings, a son, and three grandchildren blossom and grow in their years at Carroll. I actually turned out pretty good myself. I will continue to give because I know the value of this education first hand. Giving to the Patriot Fund is a wonderful way to contribute to the success of all generations of young Patriots to come. They are our future. It truly takes a village. And your Carroll Alumni Association and those who give back to the Patriot Fund are a big part of that village."

"The education my husband, Jeff '74, and I received at Carroll High School, not only prepared us for our respective careers, but also for our lives and one of the main reasons we chose a Carroll education for our children. The Catholic values, excellent academics, and attitude of service is why we continue to value and support CHS for its current students and our grandchildren to come."

"We were initially impressed by the high academic standards at Carroll, but we soon realized that there was so much more. Strong academics, life skills, and a deep sense of faith and community has more than prepared our daughter for college and life in general. We give to the Patriot Fund to continue this legacy for students for many years to come."

"Carroll is and always has been a second home to me. Everything I think of with my home, I think of with Carroll High School. The love, the nurturing, the caring, and the safe feeling are present every time I walk into the school and on the grounds. Just like my immediate home and family, I want those good vibes to continue and that is why I support the Patriot Fund and give back with my time and involvement. Giving to the Patriot Fund and committing time provides me a way to say thank you for everything that Carroll is to me. It is not an easy feat to continue the tradition and progress of Carroll. I am a member of this community and I take pride in doing my part and giving back, no matter how small it may seem in the grand scale of things."

"Our class is celebrating our 40th Carroll High School Reunion! How can 40 years have passed already? Many of us have had children (and even perhaps some grandchildren?) attend Carroll and other Catholic schools across the country, and we know it makes a difference in their lives, just like it did for us. So now it's time to show our gratitude and help our Alma Mater and the current students!"

"Carroll High School, personally, brought me a new beginning. The education and values instilled at CHS continue with me to this day, which is why I continue to give back to our high school each year. I attribute much of my professional success to the teachers, peers, and administrators at Carroll. Thank you for setting me on the right path and for carrying the honor of being a Patriot for life. The Carroll Patriot Fund is to help benefit not only the future success of current students, but for all alumni to support an institution that brought so many memories to our lives..."

"I am deeply grateful for the financial aid I received to attend Carroll High School. Knowing that people outside my family contributed to my education motivated me to take my classes more seriously and instilled a sense of confidence in myself, making me want to work harder so that I, too, may be able to help another student someday. Carroll helped me develop valuable life skills, such as teamwork and self-discipline, that will help me beyond my education. In spite of COVID, the staff did everything they could to make sure our education was not slowed or halted, and they found a way to provide us with school activities and memories to take with us into the future."

"Carroll High School has always meant a quality education to me. My parents prioritized a Catholic education, from Kindergarten through high school, for their six children. They believed that a foundation of a solid education would prepare us for life. This would then lead us to continue on to higher education or to enter the workforce, as we saw fit. As someone who has benefited from the solid footing my four years at Carroll gave to me, it is only fitting that I do my part in supporting Carroll's mission, making it possible for the students of today to receive the same advantages in life that I was given."

"I realize how fortunate I was to have graduated from Carroll. I remember always being surrounded by a strong support system, whether it was from students, teachers, directors, or parents. I loved the school size as it was small enough for me to know most students, but just large enough to meet someone new. I distinctly remember looking forward to the change of classes each day and the echo of hellos as everyone passed each other in the halls. At Carroll, students knew what was expected of them, not only in education, but also in character. I felt safe and was able to flourish in a positive environment. I am forever grateful and blessed for all that Carroll has given me and I hope to continue building on the foundation to enable more students to have the same opportunity that I did. The environment that Carroll provides to young kids is needed now more than ever, and I am proud to continue my support and hope others will support as well."

STUDENT GIVING

A gift from a current student reveals their satisfaction with the excellent education they are receiving at Carroll High School. Thank you to the **470 students** who supported Carroll's One Day of Giving! These students contributed **\$2,821** and learned of the importance of raising money to decrease tuition costs. Donations to the school directly impacts each and every student.

CURRENT PARENTS

We remain grateful to our current parents who actively support the mission of Carroll High School. In addition to fulfilling their tuition obligation, many volunteer for activities and events. We appreciate their constant support and generosity and thank them for their greatest gift to Carroll High School: trusting us to educate their sons and daughters.

"We are a very small family, and we have always viewed Max's school community as an extension of that family. We chose Carroll High School because it is the type of community that demonstrates the integrity of its values. We recognized these values the moment we stepped on campus. Our giving is the way we honor the blessing and privilege of being a part of the Carroll Community and to do what we can to ensure that it exists beyond our brief stay so it may be as much to others as it has been to us."

"We chose to send our children to Carroll High School as it had the reputation for high academic standards and a place to help grow their faith. We could not have predicted how much of an impact this decision has made in the growth and development of our children as the community of Carroll does a tremendous job of taking care of our kids. The skills, values and community spirit from Carroll, that our children will have for a lifetime, is well worth the investment. We support the Carroll Patriot Fund as the best way to give thanks and to ensure that future students receive the same standard of education and community."

PARENTS OF ALUMNI

The continuing commitment made to Carroll High School each year by the families of our alumni is greatly appreciated. This past year, the school was beneficiary of support from both parents of recent graduates, as well as from families whose association with CHS began decades ago. Thank you for helping Carroll maintain our standards of excellence.

"When you become a Carroll student, you become a Patriot for life. You can graduate and send your kids years later and the loving supporting CHS family still remembers you and is awesome and welcoming and caring to your kids. My twins attend Carroll and it is so nice to know my extended family is watching over my kids each day. When the school went virtual, the teachers executed the plan with absolutely no flaws. I support Carroll because I believe in their mission for teaching academic excellence, community service, and development of life virtues. The students, alumni, and parents are family; we support and take care of one another. The Carroll community is non-judgmental and you cannot ask for a better environment for your children to learn. I support Carroll because I want this school legacy to continue!"

~ Serena (Parrish) Thompson '91; Parent of Max '22 and Sam '22

MATCHING GIFTS

Many businesses and corporations will match the amount of a donation from one of their employees or retired employees, increasing the value of the gift dramatically. The companies listed here matched the donation to Carroll High School received from alumni, parents, parents of alumni, or friends. Please check with your employer to see if your company, like the companies identified below, will match your donations either in cash or gifts in kind.

Synchrony Matching Gifts Program
Mrs. Wendy M. (Hoskins) Rigsby '90

Did you know that 9 out of 10 companies offer a matching gift program? Annually an estimated \$2-3 billion is donated through matching gift programs. Corporate matches of employee donations are 12% of total corporate cash contributions. An estimated \$6-\$10 billion in matching gift funds goes unclaimed per year. To help Carroll donors maximize the impact of their generosity, we are partnering with a service provider to make it as convenient as ever to find and process your company match to DOUBLE THE IMPACT of your generosity. This exciting upgrade is available now at www.carrollhs.org/giving/givetoday.cfm. You can also find out more information about matching gifts from your employer's personnel office.

"I think back and remember all of the fond memories of my time at Carroll with my friends. The dedicated teachers and staff helped instill very high moral values which have served me well in my life. The staff continues to provide a needed sense of community and acceptance to all students and guests. The excellent education I received has helped me pursue my career goals. I give back to Carroll to repay the school for all it has given me and to allow the tradition to continue in providing similar experiences and opportunities to future Patriots."

~ Brian Thomeczek '96

"Choosing private over public school is a tough and important sacrifice for a family to make. A critical factor to us is that Carroll provides the teachings and values of Jesus in our child's daily life. Over the past year, we have witnessed Carroll's exceptional teachers and staff who truly care for our son and his education. We know we made the right choice because Carroll feels like home for our entire family."

~ Chet & Elaine Bryant, Carroll Parents of Cody '23

"I take pride in giving back to Carroll High School and the community that guided me through four transitional and cherished years. The knowledge gained from the education and experiences I received have proven applicable to many of my life's challenges post-graduation. Without my time at Carroll, I would not have been on the path I am fortunate enough to be on. I will continue to support my community, new students and the future of Carroll High School."

~ Anthony Meeker '16

"The purpose of my donations to the Patriot Fund stems from a compelling sense of responsibility that I gained while at Carroll. Quality education has afforded me many opportunities in my life. Particularly now that I have children, I know how hard people work to ensure their children have strong educational opportunities. Donating allows others access to Carroll's educational advantages from which they can build a brighter future."

~ Ashley (Ruef) Graham '01

"I find Carroll High School to be a place of discovery, innovation, collaboration, communication, and a place to call home. Carroll's intense courses challenged me to push beyond my limits and increased my desire to learn and to succeed in the future. My teachers worked so hard to help me to become a better student and to do more than I believed myself to be capable of. Thank you for your support in keeping tuition costs more affordable, helping my family manage to keep me at Carroll, and leading me on the road to success."

- David Ferguson '21

"I give back to Carroll High School because it gave me a solid foundation for my life, both personal and professional. I am in a position to give back today because of the values and skills I learned in high school. Since graduating, I've seen all of the positive changes at Carroll and want to ensure that future students have the same opportunities I did and more."

- Mike Pitstick '11

We also want to extend our deepest thanks to all volunteers whose contribution cannot be measured, but is appreciated just as much as the financial gifts. You truly make a difference to Carroll High School!
