MESSAGE from the Director of Advancement

Fellow Patriots,

As I reflect on the year we just concluded, I am profoundly moved by the incredible resilience and dedication of our community. This past year, our school has been supported by a record 2,563 donors, whose generosity has been nothing short of inspiring. Their unwavering commitment to sustaining the Patriot Spirit has not only bolstered our efforts but has also fostered a sense of unity and hope during uncertain

times. Each donor's contribution has played a vital role in our shared mission, demonstrating a remarkable collective dedication to the values and future of our school.

I am thrilled to announce that thanks to the steadfast support of our donors, we have achieved unprecedented milestones in our fundraising efforts. For the first time in Carroll's history, we have surpassed \$500,000 raised for the Patriot Fund, contributing to an overall total of more than \$1.26 million in donations, also a new record. These historic accomplishments are a true testament to the generosity and belief in the mission of Archbishop Carroll High School. These funds will enable us to continue providing an exceptional education, enhancing our programs, upgrading our campus and supporting our students and faculty. We are deeply grateful for the commitment of our donors, who have made these achievements possible and have set a new standard for giving at our school.

MISSION AND PHILOSOPHY

MISSION

Archbishop Carroll High School is a welcoming Catholic community intentional in the holistic formation of its students for a life of virtue, academic excellence, and service to the common good.

PHILOSOPHY OF EDUCATION FOR ARCHBISHOP CARROLL HIGH SCHOOL

Archbishop Carroll High School is a Catholic, coeducational school located in the Archdiocese of Cincinnati. Influenced by the leadership and patriotism of the school's namesake, Archbishop John Carroll, competent and caring educators intentionally form a Catholic community with one another and with the young men and women they teach. Within this value system of Catholic beliefs, the educational process unfolds.

The community of Carroll strives to develop each student intellectually, physically, and spiritually. By providing a quality education, involving students in a variety of learning experiences, and fostering the ability to make responsible choices, we prepare students to meet their own needs and those of the society in which they live. To this end, Carroll provides a broad spectrum of course offerings, academic and spiritual guidance, and numerous opportunities for student development through service-oriented projects. Educators in our school promote total growth of students not only by what they teach but also by who they are. This role modeling, coupled with instructional excellence, is the heart of Carroll's program. Working in partnership with parents and community, we as a school, will endeavor to prepare students to be followers of Christ and seekers of knowledge.

*Charity unites us
to God...There is
nothing mean in
charity, nothing
arrogant. Charity
knows no schism,
does not rebel, does
all things in concord.
In charity all the elect
of God have been
made perfect.*

– Pope St. Clement I

CARROLL PATRIOT FUND

Thanks for your support of the 2023-2024 Carroll Patriot Fund and for your response to solicitation mailings, personal calls, social media pleas, Giving Day messages, and email appeals conducted to help fund the general operating budget of Archbishop Carroll High School. Of the **\$501,369** received this fiscal year for the Carroll Patriot Fund, **\$354,296** was unrestricted, used wherever most needed. Unrestricted funds are crucial to help pay teachers' salaries, maintain excellent academic and extracurricular programs, pay utilities and facility needs, and assist with tuition assistance. This ongoing support is key to the continuing operation of Archbishop Carroll High School, giving us the ability to offer the finest education possible to each and every student. The actual cost of education is approximately \$14,000 for one school year; tuition covers approximately 82% of that cost. Unrestricted support from the Carroll Patriot Fund makes up that difference.

FOUNDATION FOR THE FUTURE CAPITAL CAMPAIGN VS. CARROLL PATRIOT FUND

WHAT IS THE DIFFERENCE?

Think of Archbishop Carroll High School as a large investment, like buying a house. You have to make payments on your mortgage, but you also need to pay to keep the lights on. In the world of fundraising, capital campaigns & endowments are like the long-term investment of mortgage payments, while the annual fund (known as the Carroll Patriot Fund) is like the immediate need to pay the utility bills.

One Great Day of Giving

KEEPING THE PATRIOT PROMISE

Archbishop Carroll High School remains committed to providing the best Catholic education at a reasonable cost. The Patriot Promise Tuition Assistance Fund is a portion of the Carroll Patriot Fund designated to help meet tuition affordability challenges. Thank you to those who responded to this plea and helped raise **\$147,074** for students in need.

FOUNDATION FOR THE FUTURE CAPITAL CAMPAIGN

An Archbishop Carroll High School education is a timeless gift passed from one generation to the next. For over 60 years, Carroll has provided a strong foundation, empowering thousands of young men and women to answer God’s call to be more and do more. This legacy of excellence is made possible by the countless parents, dedicated religious faculty, educators, alumni, and volunteers who have shown unwavering loyalty and immense generosity since our doors first opened in 1961. However, as our love for Carroll has only grown stronger with time, our facilities are in greater need of renovation than ever before. While we’ve already raised over \$8 million, additional support is essential to modernize our campus and ensure we continue offering the exceptional Catholic education that defines our Patriots. Thanks to the generosity of our lead donors, significant progress has been made. We’ve restored our chapel to its rightful place at the heart of our campus, upgraded our stadium’s field, track, press box, and bleachers, and built a new science center while renovating six STEM labs. Each enhancement has enriched the student experience and strengthened the bonds within our community. We are deeply grateful to those who have made these achievements possible, and we look forward to continuing this journey together.

"I am blessed to be in my 30th year of teaching at Archbishop Carroll High School. It is a joy to walk through these doors daily and be inspired by the students, the faculty/staff and the strong Catholic faith, which is so alive. As I reflect on my 40th year of graduating from Carroll, fond memories are thought of so often - band, friends, dances, yearbook and challenging classes with supportive faculty. Therefore, giving back to the annual fund drive has always been an important part of my life."

"My first day at Carroll, I knew only a few people. I was welcomed by strangers and had new friends in no time. As I've aged, I have grown to appreciate the values taught to me and my three kids, all graduates as well, while attending CHS. When I learned my grandson, Nick Kaiser, was going to attend Carroll, I was so pleased. Third generation! Nick, too, recently graduated from Carroll with many valuable character building qualities. Many thanks to the teachers, coaches and support staff."

"Since starting high school back in 2020 we have seen our daughter, Maggie '24, grow in her faith life, be academically challenged and supported, learn to ask questions and be inquisitive about the world and what she is being taught, and finally feel the bond of being a part of a family through the house systems and her cross country and track teams. Carroll has made a huge impact on our family and how we looked at the high school experience. Carroll is not just another high school - it is a community that is dedicated to bringing out the best in young people and making life long connections with the students and their families. It was without doubt that we wanted the same experience for our daughter, Keely, who started her freshman year last fall. It is also why we feel strongly about being supporters of the Carroll Patriot Fund."

"My husband and I support Carroll High School because we both believe that God has blessed us in so many ways; one of which was being able to receive a Catholic education with which our parents made sacrifices for. The standards and expectations that I learned close to 45 years ago at Carroll prepared me for what was to come not only in my higher education but in the business world as well. As I reflect on my memories, I think about those teachers who left an incredible mark on me. I cannot thank them enough for their kindness and patience and demonstrating to me what it means to be a caring and compassionate Catholic."

"I support Carroll because it offered me opportunities to explore my passions. Carroll allowed me to strengthen my passion for the arts by providing chances to be on stage while learning valuable lessons about confidence, self-identity, and leadership responsibilities. My Carroll education also ignited my passion for physics. Carroll's science education challenged me in new ways which piqued my interest in a career field I had never considered before. My time at Carroll prepared me well for my future as a scientist, educator, and a member of the Dayton community. Now, on the other side of the desk, as Carroll faculty, I am so grateful that Carroll is still providing new opportunities to explore my love of science and the arts and encourage students to find their own passions."

"What makes Carroll so special is the community we have. A community dedicated to educational excellence and equally dedicated to the Catholic faith. I give to Carroll so that future generations of students can each be best positioned for success in all aspects of life and improve and give back to the communities in which we live. Carroll shaped my educational life, my social life and most importantly my life of faith. Without the gift of an education at Carroll I would not be who I am and where I am today. It is that gratitude that drives me to give and empower more future Patriots with this same gift, and I hope to inspire more fellow alumni to join me in giving back."

"When I graduated 30 years ago, I had no idea how much the education and experiences gained over the 4 years at Carroll would impact my future. Carroll helped prepare me for my life as a pediatric nurse practitioner, wife and mother. My husband and I knew we wanted a Catholic education for our children and Carroll was always our number one choice. Our two oldest daughters are currently attending Carroll and couldn't be happier. It's amazing to see all that Carroll has to offer 30 years later. The possibilities are endless! We have the opportunity to assist in providing the highest quality education in a faith-filled community. Please join me in investing in CHS because the return is immeasurable."

"I appreciate the teachers at Carroll and their hard work to better every student academically and in society. They have provided me with a sense of determination to be successful in anything. Carroll was the perfect school for me to choose because of its endless potential and learning opportunities. Thank you for your sacrifices to better our school. Your donations go to one family, the Carroll family, where we all work to better our faith, education, and futures."

"My Catholic foundation was enhanced during my high school days at Carroll. The curriculum and administration were building blocks to further my own interests with the exceptional education I received there. My best friends are still Carroll classmates I met in high school. I relish those four years at CHS as the very fiber of my heart and soul to this day. I'm proud to continue to support these efforts 50 years later."

"Archbishop Carroll High School prepared me well with an excellent education all those 40 years ago, while fostering my spiritual growth and sense of responsibility and connection with others. I am so thankful to my parents and all the Carroll faculty and staff whose dedication, sacrifice, and commitment made a real difference in my life. Please join me in making a financial contribution. Let's support the dedicated Carroll teachers and staff and ensure that another generation of young citizens and leaders get a great education."

"I am extremely grateful for the scholarships I received here at Carroll. Coming from a middle school that typically doesn't send kids to Carroll, I was initially nervous about finding my place here. However, I learned that I had nothing to worry about as Carroll welcomed me with open arms and encouraged me to grow both as a student and in my faith. I feel extremely prepared for future studies, because good grades take a lot of hard work to earn at Carroll. I have improved my study skills, and I have become a far better student."

CURRENT PARENTS

We remain grateful to our current parents who actively support the mission of Archbishop Carroll High School. In addition to fulfilling their tuition obligation, many volunteer for activities and events. PARENTS OF ALUMNI

The continuing commitment made to Archbishop Carroll High School each year by the families of our alumni is greatly appreciated. This past year the school was beneficiary of support from both parents of recent graduates, as well as from families whose association with Carroll began decades ago. Thank you for helping Carroll maintain our standards of excellence.

"Much has changed since our children first began attending Carroll 24 years ago, but the things that matter most have remained constant. Archbishop Carroll High School is an academic institution which fosters growth - mentally, physically and spiritually for those blessed to become part of the Patriot family. Most meaningful for us, as parents, is the growing influence of a Catholic culture at Carroll. The spiritual retreats, availability of Eucharistic Adoration and Holy Mass are proof of the presence of the Holy Spirit in the Carroll halls. Carroll is a high school we strongly recommend people support."

"Our family celebrates the Carroll Patriot Fund, how the school strives for the total formation of our son; academically, athletically, socially, and spiritually. An investment in the Carroll Patriot Fund is an investment in this formation effort. Carroll's unique focus on the Catholic Faith in action is seen across the many dimensions of its students. We invite your powerful support of this invaluable resource."

Earn a dollar-for-dollar tax credit on Ohio income taxes when you give to Archbishop Carroll High School

The State of Ohio has passed a bill that allows a tax credit for qualified donations to a certified Scholarship Granting Organization (SGO). Ohio taxpayers who donate to SGOs may be able to claim a dollar-for-dollar, non-refundable tax credit on their Ohio income tax return for up to \$750 per donor or up to \$1,500 if married and filing jointly.

How can I give to Carroll through this program?

Make your gift through the Archdiocese of Cincinnati's Catholic Education Foundation (CEF), a certified SGO with the State of Ohio. Designate Archbishop Carroll High School as your school of choice to ensure that your entire gift is directed to our school. You can make your gift online or through sending a check attached to a mail-in form.

How do I claim the credit on my tax return?

Shortly after your gift has been received and processed, the CEF-SGO will mail a gift acknowledgement letter to you. This letter can serve as documentation for a non-refundable Ohio income tax credit (up to \$750 per donor across all SGO donations for the tax year) when you prepare your Ohio income tax return.

What else should I know about this program?

Everyone's tax situation is different, and we encourage you to check with your tax preparation professional to determine if this is the best way for you to make a gift and help offset your state and federal tax liabilities. Contact Archbishop Carroll High School Director of Advancement Pete Williams '98 if you have questions about how donating to Carroll through the CEF-SGO will affect your current annual giving.

MATCHING GIFTS

Many businesses and corporations will match the amount of a donation from one of their employees or retired employees, increasing the value of the gift dramatically. The companies listed here matched the donation to Archbishop Carroll High School received from alumni, parents, parents of alumni, or friends. Please check with your employer to see if your company, like the companies identified below, will match your donations either in cash or gifts in kind.

DID YOU KNOW THAT 9 OUT OF 10 COMPANIES OFFER A MATCHING GIFT PROGRAM?

Annually an estimated \$2-3 billion is donated through matching gift programs. Corporate matches of employee donations are 12% of total corporate cash contributions. An estimated \$6-\$10 billion in matching gift funds goes unclaimed per year. To help Carroll donors maximize the impact of their generosity, we partner with a service provider to make it convenient to find and process your company match to DOUBLE THE IMPACT of your generosity. You can find more details about matching gifts from your employer's personnel office or go to www.carrollhs.org/giving/givetoday.cfm.

"While it can be difficult to see at the time, the seeds of who we are to become are planted and nourished during our teens and early twenties. With much more time on the other side, I now can see how my education and activities at Carroll High School really were the beginnings of who I am today. My classes, yearbook, volleyball, and even a semester working in the library, set me on my path while also helping me learn how to make informed and compassionate decisions. Even though I no longer live in the Dayton area, I still donate each year. I want today's students at Carroll to have the opportunities to build the same start I had."

"It is difficult to articulate how much Archbishop Carroll High School means to my family. I am one of three generations that have graduated from this school, and I'm incredibly proud and grateful to be a part of this rich tradition. For me, Carroll is the cornerstone of my love for learning and passion for building community. On a daily basis, I lean on lessons garnered through my Carroll experience - not only in the classroom, but also retreats, long runs, swim meets, and drama rehearsals. I donate to my alma mater in the hopes that more students can access the well-rounded Catholic education that my parents and grandparents made possible for my family."

- Molly (Williams) McCourt '04
