

Carroll Career Discovery Program

PASSING THE TORCH ALUMNI SPEAKER SERIES

Matt Gilmore
CHS Class of 2012

Design Professional: App Architecture

Architecture is the process of planning, designing, and building the spaces people live in and around.

Matt Gilmore has been working in architecture since 2014. Since 2018, he has served as a design professional at App Architecture. He is proficient in graphics-based software programs include AutoCAD, Revit, Enscape, and Adobe Creative Suite.

Matt is a graduate of Bowling Green University where he received both his undergraduate and graduate degrees in Bachelor and Master of Architecture. Prior to graduation, Matt assisted with the 2018 Dayton CANstruction Design and Build competition which benefits the Dayton Foodbank.

His sister, Nicole (Gilmore) Perhala, also graduated from Carroll High School in 2008. Other family members include his parents, Karen and David, and his fiancé, Cheryl Christy.

Matt's favorite Carroll memories are spending time learning his lines and scenes with all of his friends and cast mates in the Carroll Drama Club.

Education

- 2016 Bachelor of Science Degree in Architecture: Bowling Green State University
- 2018 Master of Architecture Degree: Bowling Green State University
