Fellow Patriots,

As I proudly serve our Alma Mater in the role of Advancement Director here at Carroll, the generosity of our ever-growing community of supporters constantly overwhelms me. Through the trials and triumphs of the past year, the compassion and perseverance displayed by the Carroll Family was awe-inspiring. Whether it was on our first ever Day of Giving, or meeting the challenge of a global pandemic through our new Patriot Promise Emergency Assistance Fund, thanks to your selflessness and sacrifice, 2019-2020 saw many great achievements that could not have been made possible without generous support for Carroll High School.

## MISSION AND PHILOSOPHY

### MISSION

**Carroll High School is a welcoming Catholic community intentional in the holistic formation of its students for a life of virtue, academic excellence, and service to the common good.**

### PHILOSOPHY OF EDUCATION FOR CARROLL HIGH SCHOOL

Carroll High School is a Catholic, coeducational school located in the Archdiocese of Cincinnati. Influenced by the leadership and patriotism of the school's namesake, Archbishop John Carroll, competent and caring educators intentionally form a Catholic community with one another and with the young men and women they teach. Within this value system of Catholic beliefs, the educational process unfolds.

The community of Carroll strives to develop each student intellectually, physically, and spiritually. By providing a quality education, involving students in a variety of learning experiences, and fostering the ability to make responsible choices, we prepare students to meet their own needs and those of the society in which they live. To this end, Carroll High School provides a broad spectrum of course offerings, academic and spiritual guidance, and numerous opportunities for student development through service-oriented projects. Educators in our school promote total growth of students not only by what they teach but also by who they are. This role modeling, coupled with instructional excellence, is the heart of Carroll's program. Working in partnership with parents and community, we as a school, will endeavor to prepare students to be followers of Christ and seekers of knowledge.

*Charity unites us to God...There is nothing mean in charity, nothing arrogant. Charity knows no schism, does not rebel, does all things in concord. In charity all the elect of God have been made perfect.*

– Pope St. Clement I

# CARROLL PATRIOT FUND

Thanks for your support of the 2019-2020 Carroll Patriot Fund and for your response to solicitation mailings, personal calls, social media and Giving Day messages, and email appeals conducted to help fund the general operating budget of Carroll High School. Of the **\$251,099** received this fiscal year for the Carroll Patriot Fund, **\$197,401** was unrestricted, used wherever most needed. Unrestricted funds are crucial to help pay teachers' salaries, maintain excellent academic and extracurricular programs, pay utilities and facility needs, and assist with tuition assistance. This ongoing support is key to the continuing operation of Carroll High School, giving us the ability to offer the finest education possible to each and every student. The actual cost of education is approximately \$12,500 for one school year; tuition covers 80% of that cost. Unrestricted support from the Carroll Patriot Fund makes up that difference.

## FOUNDATION FOR THE FUTURE CAPITAL CAMPAIGN VS. CARROLL PATRIOT FUND

# WHAT IS THE DIFFERENCE?

Think of Carroll High School as a large investment, like buying a house. You have to make payments on your mortgage, but you also need to pay to keep the lights on. In the world of fundraising, capital campaigns & endowments are like the long-term investment of mortgage payments, while the annual fund (known as the Carroll Patriot Fund) is like the immediate need to pay the utility bills.

## ONE GREAT DAY OF GIVING RECAP

THANK YOU for helping to make October 24th, 2019 One Great Day for Carroll High School! Thanks to all those who made a big impact for Carroll students in our first-ever giving day! When generous donors pledged \$50,000 in matching gifts for this day, hundreds of first time donors responded to this challenge and made a gift. Our entire community of alumni, faculty, staff, current parents, and even current students gave in overwhelming numbers in an attempt to double the impact of their gift to Carroll High School. Together we made a difference and pledged a total of **\$180,577!**

**SAVE THE DATE: OCTOBER 15, 2020**  
One Great Day of Giving

## KEEPING THE PATRIOT PROMISE DURING COVID-19

Carroll High School proved to be a true beacon in the storm during the unprecedented times caused by the coronavirus, and our school's commitment to students has never been more evident. As the world around us shut down, Carroll rose up and kept the students engaged, connected, and the loved family they had always been. Weathering this storm, more families need tuition assistance with parents out of work, and more help is needed with technology and equipment necessities. Carroll responded to this challenge by establishing The Patriot Promise as a component of the Carroll Patriot Fund to actively meet these needs. Thank you to those who responded to this plea and helped raise **\$31,608** for many students who have never needed tuition assistance in the past.

# FOUNDATION FOR THE FUTURE CAPITAL CAMPAIGN

A Carroll High School education is truly a gift from one generation to another. For almost 60 years, Carroll has laid the foundation for thousands of young men and women to answer the call to be more and do more. This foundation would not be possible without the thousands of parents, vowed religious faculty, educators, and dedicated alumni and volunteers who have shown tremendous generosity and unwavering loyalty to Carroll since it opened in 1961. While the Patriot community's love for Carroll has not faded with time, our facilities have never been in greater need of renovation. Over \$5 million has been raised so far, but more help is needed to modernize our campus so that we can continue providing an excellent Catholic education that inspires every Patriot to answer God's call. The 2019-2020 donations towards the Foundation for the Future Campaign brought about all new school windows, building-wide air-conditioning, an upgraded modern electrical system, and two brand new state of the art science labs in the Miller Family Science Center to go along with the artificial field turf, new track, and lights for the stadium that we welcomed in last summer. Next in the plans is to keep focusing on our award-winning science program and renovate the existing first floor science labs! Thank you to the generous lead donors who made this campaign possible!

*"I am ready for college and it is all thanks to the way Carroll prepared me. The COVID-19 pandemic revealed how supportive my Carroll family is and how powerful their acts of kindness are in shaping the community. My amazing teachers proved they were capable and willing to adapt to change and went above and beyond the call of duty to provide each of us with the best opportunity to learn, teaching us how to adapt to any situation. Carroll helped me to become a well-rounded student through leadership positions, AP classes, and completion of over 700 hours of community service. I plan to attend Ohio University, major in Biology, follow the pre-med track, and attend medical school after college."*

"I have a lot of great memories in my 4 years at CHS and it's hard to believe that some classmates have kids that have graduated from Carroll as well. I am truly blessed to have attended such a great high school that continues to grow and thrive. The relationships and friendships that I made during those 4 years are some of the most precious ones that I have today. It was great to be a Patriot back then, and still is today!"

\* Omission from 2019 Annual Review of Giving:  
**Ms. Christine M. Rafalko**  
 (John Carroll Society)

"Reflecting on my education at Carroll, I don't really think I appreciated the faculty, the staff, the coaches and all the volunteers that dedicated their time and sacrificed to support me and my fellow students. They truly cared about the students. As the years have gone by, I now know what they were trying to instill in me. They were teaching me to take ownership and that you can accomplish anything with the right attitude and the yearning to learn. That's why I give back to Carroll. I give so the students today and tomorrow have the support and guidance of the faculty, staff, alumni and volunteers to prepare them for their future."

Greg Schneider '75

## ALUMNI GIVING

A gift from a graduate speaks to the future of Carroll High School. It portrays the preparation alumni received and their desire to ensure current students have the same experiences. We are grateful for the following for investing in the mission of our alma mater and we invite all graduates to join them in creating an environment of excellence in Catholic education.

"My formal Carroll education may have ended with graduation in 1965, but not a day has gone by since when I didn't use skills I honed at CHS. Today, Carroll's world-class faculty continues the tradition of instructing its students in skills—and values—that will serve them for a lifetime."

# PARENTS OF ALUMNI

The continuing commitment made to Carroll High School each year by the families of our alumni is greatly appreciated. This past year the school was beneficiary of support from both parents of recent graduates, as well as from families whose association with CHS began decades ago. Thank you for helping Carroll maintain our standards of excellence.

 Mr. and Mrs. William B. Zilli

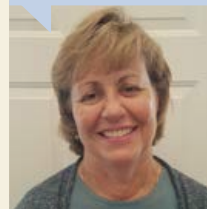

"Not knowing much about Carroll High School, it was not on the list of options for my children when they were younger. Now having my third child graduating soon from this incredible school, I realize how God lead me there, and I am grateful every day that He did. I tell everyone who will listen about the strong education, instilled with incredible faith, integrity and moral guidance has provided my children. It is a community I'm proud to be a part of, as are my children. I am most grateful for both the strong educational foundation that has helped them with their successful college careers, but also for the inspiring role models they have found in the staff and teachers at Carroll."

*Dr. Mary Lebamoff Chellis, Parent of Jacob '14, Andrew '16 and Hanna '21*

"When I look back, I remember the strong sense of community Carroll offered me with all the dedicated teachers, devoted families and my involvement with band and drill. As my freshman son begins his journey, I have been overwhelmed with all Carroll is able to offer their students, while keeping that same sense of community a strong part of their program."

*Linda Edly-Mead '80; Parent of Alex '23*

# MATCHING GIFTS

Many businesses and corporations will match the amount of a donation from one of their employees or retired employees, increasing the value of the gift dramatically. The companies listed here matched the donation to Carroll High School received from alumni, parents, parents of alumni, or friends. Please check with your employer to see if your company, like the companies identified below, will match your donations either in cash or gifts in kind.

### The Bank of America Charitable Foundation, Inc.

Mrs. Ashley D. (Ruef) Graham '01

### The Kuntz Foundation

Mr. Peter H. Kuntz

### Marathon Petroleum Company

Mrs. Katie A. (Streck) Clingner '04

### Northrop Grumman Foundation

### Synchrony Matching Gifts Program

Mrs. Wendy M. (Hoskins) Rigsby '90

Did you know that 9 out of 10 companies offer a matching gift program? Annually an estimated \$2-3 billion is donated through matching gift programs. Corporate matches of employee donations are 12% of total corporate cash contributions. An estimated \$6-\$10 billion in matching gift funds goes unclaimed per year. To help Carroll donors maximize the impact of their generosity, we are partnering with a service provider to make it as convenient as ever to find and process your company match to DOUBLE THE IMPACT of your generosity. This exciting upgrade is available now at [www.carrollhs.org/giving/givetoday.cfm](http://www.carrollhs.org/giving/givetoday.cfm). You can also find out more information about matching gifts from your employer's personnel office.

*"There were many things I was happy to leave behind when I graduated from Carroll four years ago: curfews, Spanish homework, uniforms, rushing between classes, staying up late for homework, and barely making it to school in the morning. But for everything I was happy to leave behind, something from Carroll followed me into college and now into post-grad life, shaping me into the person I am today. My life long friends, dedication in serving others, my commitment to my communities, my interest in global cultures and current events; all of these stem from the time I spent walking the halls of Carroll High."*

"Every time I walk into Carroll High School, I remember old friends and teachers and successes and disasters, and I feel like I'm home. I'm proud that I come from Carroll, and I am proud to be able to give a little bit back to the school and students, in return for the great start I got there."

"As a military family new to the Miami Valley, it was important for us to find an environment supportive of our values with a commitment to a quality education. Upon our arrival, Carroll was highly recommended to us and welcomed our daughters with open arms and we have not looked back since. Carroll's educational standards, along with a strong commitment to faith, have allowed our daughters to flourish and has set them up for success in life. Because of these experiences, we support the Carroll Patriot Fund in the hopes others can have the same opportunities."

"Carroll gave me the foundation and skills necessary to be successful in my adult life. Because of this, I give back to the Carroll Patriot Fund yearly so other students can continue to have the same high-level education and unique opportunities that I did."
