MESSAGE from the Director of Advancement

This summary of giving is written recognition of the generosity from so many within the Carroll Community. Without alumni, parents, parents of alumni, foundations, business partners, and friends, Carroll High School would be a very different place. Students have opportunities that otherwise would not have been possible, facilities have been transformed and the traditions that keep Carroll High School such a special place remain intact because of the support of so many.

This report is a wonderful tool, but, if you want to see the real results of the investments made in Carroll High School, visit campus. There is nothing like engagement in the classroom, laughter in the hallways or cheering in the stands that brings the importance and value of this support to life! You have a standing invitation. You have been and always will be a part of CHS. Come back, experience the changes on campus, meet new faculty, and re-engage with those who have been mainstays. Walk among the students, sit in a class, eat lunch in the cafeteria; we would love to have you!

Thank you to all who are and have been supporters of Carroll High School. Your time, talent and treasure are appreciated.

All My Best,

Pam (Staton) Tipps '91

It's a great day
 — to be a —
 PATRIOT

*Charity unites us
to God...
There is nothing
mean in charity,
nothing arrogant.
Charity knows
no schism, does
not rebel, does all
things in concord.
In charity all
the elect of God
have been
made perfect.*
– Pope St. Clement I

MISSION AND PHILOSOPHY

Carroll High School is a Catholic, coeducational school in which competent, caring educators form a Christian community with one another and with the young men and women they teach.

Within Carroll, there is a sense of commitment to a values system based on Catholic beliefs, and in this environment the educational process unfolds.

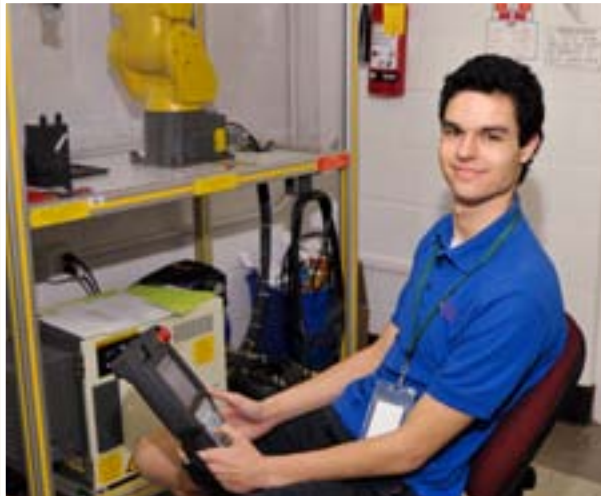

Our mission is to enhance the total growth of students. Emphasis is placed on providing quality education, involving students in a variety of learning experiences and in fostering the ability to make responsible choices. Our goal is to prepare students to meet their own needs and to meet those of the society in which they live. To this end, Carroll High School provides a broad spectrum of course offerings, academic and spiritual guidance services, and numerous opportunities for student development and enrichment. Educators in our school promote total growth of students as much by whom they are as by what they teach. It is this role modeling, coupled with instructional excellence, that is the heart of Carroll's program.

In view of the demands of the twenty-first century, Carroll High School prepares its young men and women to meet the challenges of the future. Our graduates will take their place in tomorrow's world as responsible citizens. It is our hope that they be open to others and be able to think critically, to solve problems creatively and to live compassionately.

CARROLL PATRIOT FUND

The following pages contain a comprehensive listing of all gifts received by Carroll High School between July 1, 2014 and June 30, 2015. A total of **\$565,602** was received from alumni, parents, faculty, and friends. This includes a total of \$328,298 received for the Carroll Patriot Fund, \$171,307 of which was unrestricted, used wherever most needed. Support of the Carroll Patriot Fund allows Carroll High School to offer the finest education possible to every student, every day...all year long! The actual cost of education is approximately \$10,500 for one school year; tuition covers 75% of that cost. Unrestricted support from the Carroll Patriot Fund makes up that difference. A special thank you is extended to all

the individuals and organizations whose names appear in this report. We apologize for any errors or omissions and ask that all corrections be called to the attention of the Advancement Office at (937) 253-3338 or jweitz@carrollhs.org.

"My years attending Carroll High School had such an impact on my life that I feel any time and financial support I can offer benefits me just as much, if not more, than it does CHS. The pleasure I personally enjoy far outweighs any cost. If you can assist this school in its continued educational excellence, PLEASE DO SO!"

"My teachers at Carroll High School didn't just teach us the curriculum; they cared about what they taught, and they wanted us to learn. I am incredibly thankful to my parents for making the choice to give me the amazing opportunity to attend Catholic schools. My education truly has prepared me for my future, and I can't wait to see where it takes me!"
 -Tori Blevins '15

"We sent our six children to Carroll for many reasons: to be part of an energetic student body immersed in our Catholic faith; to be taught by fantastic, caring teachers; to experience the great fun of many sports, band, drama club, the Student Torch, etc.; and to have awesome opportunities to serve and give back to others. Carroll gave all of this to our family, so we want to give back to Carroll. Who knows...a Carroll student may even meet their future spouse in the hallowed halls, just like we did!"

"Grateful. I am forever grateful for the way Carroll prepared me, not only for college, but for life - and even more grateful for the preparation my five children have received."
-Charlie Middleton, '65

ALUMNI GIVING: A gift from a graduate speaks to the future of Carroll High School. It portrays the preparation alumni received and their desire to ensure current students have the same experiences. We are grateful to the following for investing in the mission of our alma mater and we invite all graduates to join them in creating an environment of excellence in Catholic education.

PARENTS OF ALUMNI: The continuing commitment made to Carroll High School each year by the families of our alumni is greatly appreciated. This past year the school was beneficiary of support from both parents of recent graduates, as well as from families whose association with CHS began decades ago. Thank you for helping Carroll maintain our standards of excellence.
