MESSAGE from the Director of Advancement

This summary of giving is written recognition of the generosity from so many within the Carroll Community. Without alumni, parents, parents of alumni, foundations, business partners, and friends, Carroll High School would be a very different place. Students have opportunities that otherwise would not have been possible, facilities have been transformed and the traditions that keep Carroll High School such a special place remain intact because of the support of so many.

This report is a wonderful tool, but, if you want to see the real results of the investments made in Carroll High School, visit campus. There is nothing like engagement in the classroom, laughter in the hallways or cheering in the stands that brings the importance and value of this support to life! You have a standing invitation. You have been and always will be a part of CHS. Come back, experience the changes on campus, meet new faculty, and re-engage with those who have been mainstays. Walk among the students, sit in a class, eat lunch in the cafeteria; we would love to have you!

Thank you to all who are and have been supporters of Carroll High School. Your time, talent and treasure are appreciated.

All My Best,

Pam (Staton) Tipps '91

 PATRIOT

*Charity unites us
to God...
There is nothing
mean in charity,
nothing arrogant.
Charity knows
no schism, does
not rebel, does all
things in concord.
In charity all
the elect of God
have been
made perfect.*

MISSION AND PHILOSOPHY

Carroll High School is a Catholic, coeducational school in which competent, caring educators form a Christian community with one another and with the young men and women they teach.

Within Carroll, there is a sense of commitment to a values system based on Catholic beliefs, and in this environment the educational process unfolds.

Our mission is to enhance the total growth of students. Emphasis is placed on providing quality education, involving students in a variety of learning experiences and in fostering the ability to make responsible choices. Our goal is to prepare students to meet their own needs and to meet those of the society in which they live. To this end, Carroll High School provides a broad spectrum of course offerings, academic and spiritual guidance services, and numerous opportunities for student development and enrichment. Educators in our school promote total growth of students as much by whom they are as by what they teach. It is this role modeling, coupled with instructional excellence, that is the heart of Carroll's program.

In view of the demands of the twenty-first century, Carroll High School prepares its young men and women to meet the challenges of the future. Our graduates will take their place in tomorrow's world as responsible citizens. It is our hope that they be open to others and be able to think critically, to solve problems creatively and to live compassionately.

"Carroll allowed me to truly be myself and discover my passions, both inside and outside the classroom. The teachers helped form my love for learning, and my classmates and service experiences expanded my view of the world. I left high school with maturity, confidence, and a mind brimming with ideas ready to take on the world."
-Katelyn Hagstrom '14

"Learning from Coach Molfenter allowed me to grow as a leader and player on the field. At Carroll, I discovered how to take my learning outside the classroom and apply it in independent research and community service."

"CHS gave me an opportunity that I could not have received in Vietnam. The chance to study in the US is a dream for so many in my country and it became my reality. I will have the chance to move on to a great university because of the superior academic preparation and support that was available to me at Carroll!"

"So many amazing CHS coaches, drama directors, and teachers urged me to push my limits and improve myself. Carroll empowered me to become a better person and to help the community through service, and it prepared me for the future by helping me understand high-level academic concepts and showing me how to apply my own talents."

"I believe the best part about Carroll is the ministry. Teachers are willing to stay after school to help students who have a hard time. National Honor Society members are willing to tutor peers. Alumni are willing to return to their alma mater to coach the drama club in acting and singing. Alumni and friends are willing to give back in so many ways. All of it makes such a difference. Every little bit counts."
-Anna Schlegel '14

ALUMNI GIVING: A gift from a graduate speaks to the future of Carroll High School. It portrays the preparation alumni received and their desire to ensure current students have the same experiences. We are grateful to the following for investing in the mission of our alma mater and invite all graduates to join them in creating an environment of excellence in Catholic education.

PARENTS OF ALUMNI: The continuing commitment made to Carroll High School each year by the families of our alumni is greatly appreciated. This past year the school was beneficiary of support from both parents of recent graduates, as well as from families whose association with CHS began decades ago. Thank you for helping Carroll maintain our standards of excellence.
