

2012-2013 ANNUAL REPORT

Step Up for Carroll and Strengthen the Foundation

CARROLL HIGH SCHOOL

“I’m proud to support our Alma Mater, and as I’ve gotten older I’ve come to appreciate the education I received at Carroll more and more. Reconnecting with faculty, staff, and fellow alumni when my sons, Kevin ‘09 and Mark ‘11, were students reminded me what a special place Carroll is. I get a lot of satisfaction knowing my contributions to the Annual Fund help present and future Patriots.”

– Dr. Alan Thurman ‘78

“I feel so fortunate to have had the opportunity to attend Carroll High School. Growing up in ‘far away’ Xenia, it would have been much easier for my parents to send me to Xenia City Schools. However, my parents knew firsthand what type of education they were investing in and the quality of people they would surround me with since they attended Carroll themselves. While at Carroll, I made friendships that I still have to this day. I have such fond memories of classmates and teammates and I take great pride in looking at the current teams and programs at Carroll and know that we played a part in setting that bar of excellence both academically and athletically.”

– Matt Rotterman ‘94

“I’ve often said, ‘I learned more at Carroll than at college.’ My Carroll education taught me how to continuously work hard, never shy away from a challenge, and always strive to do my best. It was the foundation for my success, and I support the annual fund to ensure the continuation of Carroll’s success.”

– Peggy (Miller) Ruhlin ‘67

Mission and Philosophy

Carroll High School is a Catholic, coeducational school in which competent, caring educators form a Christian community with one another and with the young men and women they teach.

Within Carroll there is a sense of commitment to a values system based on Catholic beliefs, and in this environment the educational process unfolds.

Our mission is to enhance the total growth of students. Emphasis is placed on providing quality education, involving students in a variety of learning experiences and in fostering the ability to make responsible choices. Our goal is to prepare students to meet their own needs and to meet those of the society in which they live. To this end Carroll High School provides a broad spectrum of course offerings, academic and spiritual guidance services, and numerous opportunities for

student development and enrichment. Educators in our school promote total growth of students as much by whom they are as by what they teach. It is this role modeling, coupled with instructional excellence that is the heart of Carroll's program.

In view of the demands of the twenty-first century, Carroll High School prepares its young men and women to meet the challenges of the future. Our graduates will take their place in tomorrow's world as responsible citizens. It is our hope that they be open to others and be able to think critically, to solve problems creatively, and to live compassionately.

2012-2013 Annual Giving Summary

The 2012-2013 Annual Giving Summary includes gifts received during Carroll High School's fiscal year July 1, 2012 - June 30, 2013. A total of \$402,143 was received from alumni, parents, faculty, friends, and foundations.

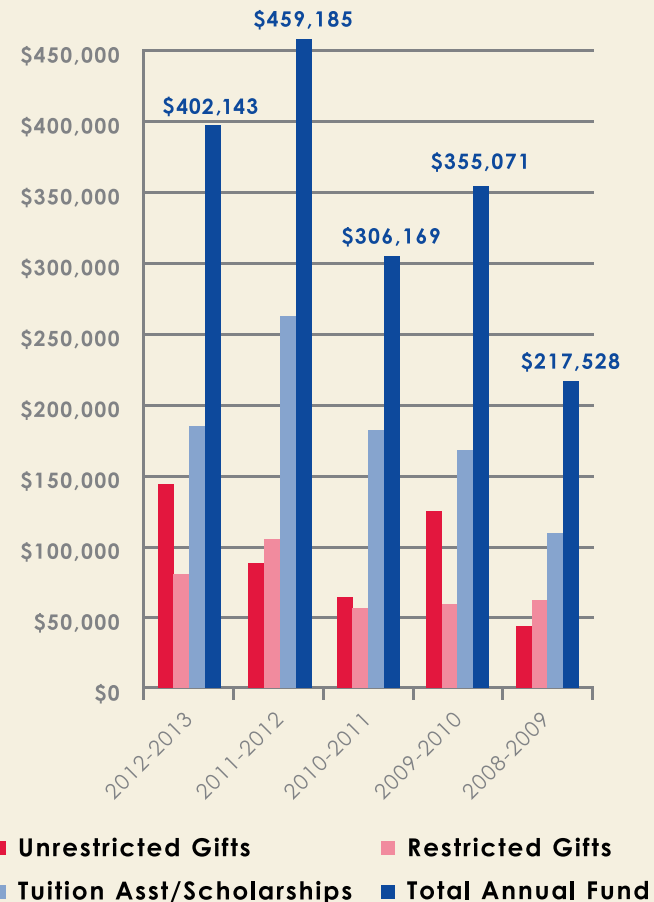

This fund represents Carroll's second largest source of income and helps offset the difference between tuition and the actual cost of educating a student by providing the school with crucial operating revenues. Tuition represents only 74.3% of the actual cost of education.

2012-2013 may not have been Carroll's best year but it was still considered a success, especially when looking at the increased amount of unrestricted money raised for areas most in need. It is difficult to compare this fiscal year to last fiscal year when 2011-2012 was the school's 50th Anniversary - obviously an extraordinary year.

For more information about matching gifts, inquire at your personnel office or contact Carroll's Advancement Office at (937) 253-3338. Carroll's administration, faculty, staff, and especially its students, express their sincere appreciation to all of those who support Carroll High School!

We also want to extend our deepest **thanks to all volunteers** whose contribution cannot be measured, but is appreciated just as much as the financial gifts. You truly make a difference to Carroll High School!
